## Department

Departmental Administration Program

## Objective

To provide direction, planning, policy development, advisory and administrative support services to the Department.

## Activity Description

### *Departmental Executive*

The departmental executive activity is responsible for the overall management of the Department. It consists of the offices of the Minister of National Health and Welfare and the Minister of State for Seniors, and the office of the Deputy Minister of National Health and Welfare. In addition the activity provides secretariat services to the National Council of Welfare and the National Advisory Council on Aging.

### *Policy, Planning and Information*

Policy development and strategic planning involves initiating and co-ordinating the policy development responsibilities of the Department, developing and assessing options for program change, identifying and assessing the significance of emerging health and social issues in the long-term and recommending policy approaches for addressing emerging trends. With regard to information systems, the activity plans, develops, and maintains systems that support the development, management, and evaluation of health and social policies and programs. This is achieved through the provision of technical and financial assistance to provinces, territories, and nationally recognized associations and agencies involved in health and welfare programs.

### *Intergovernmental and International Affairs*

This activity co-ordinates the Department's participation in international health activities. In particular it is responsible for co-ordinating Canada's contribution to those international organizations to which Canada has made a financial commitment, where Canada plays an administrative or management role, or where Canada is a signatory to an agreement, such as the World Health Organization (WHO), the Pan American Health Organization, and meetings of the Commonwealth Health Ministers. As well, the activity is responsible for advising on, and participation in, bilateral health relations with foreign governments. It also co-ordinates Canadian participation in international social affairs, and promotes cooperative relationships between international, governmental, and non-governmental organizations and their Canadian counterparts. It develops the Canadian position on social-policy issues being considered by the United Nations. Participates in the United Nations Commissions on social development and on narcotic drugs. The activity fosters relations with the Organization for Economic Co-operation and Development and with United Nations agencies concerning the disabled, the aged, youth, the family, and illicit use of drugs. Both the above components also have federal/provincial responsibilities. They are the liaison and co-ordination point with the provincial and territorial governments and work on a day-to-day basis with the central agencies on federal-provincial matters. They provide secretariat services for meetings of Ministers and Deputy Ministers of Health and Social Services, and monitor the work of federal/provincial advisory committees and working groups. The activity is also responsible for monitoring and obtaining international information on health and welfare matters. This information is

analyzed and submitted for consideration in program planning for the Department. In addition it organizes visits of Ministers of health or welfare, and officials and scholars of foreign countries, to facilitate the exchange of information. The activity administers the World Health Organization Fellowship Program, through which Canadian health professionals carry out short-term studies abroad, and foreign professionals visit Canada on WHO fellowships to conduct studies in their field of specialization. It is responsible for the development and implementation of special international events such as "international years" and hosts major international conferences in which the Department has the lead federal role.

### *Corporate Management*

In addition to its internal management, the activity provides the Department with services in the areas of administration, informatics, facilities planning and management, planning and financial administration, communications and personnel administration. The program Audit and Review sub-activity reports directly to the Deputy Minister and thereby provides independent evaluations of the effectiveness of departmental programs and reviews and assessments of the operations and activities which support the delivery of those programs. It is responsible for the design and execution of program evaluation projects and internal audits throughout the Department.

Health Program

## Objective

To protect, preserve, and improve the health of the Canadian public; and to enhance amateur sport.

*Food Safety, Quality and Nutrition*

Undertakes a wide range of regulatory and non-regulatory initiatives to ensure that the Canadian food supply is safe, nutritious and of high quality. Conducts research and evaluates scientific data on foods, food constituents, micro-organisms and microbial toxins, additives, agricultural chemicals and contaminants, given their actual or proposed use and occurrence in the Canadian diet. Establishes manufacturing and product standards and nutrient guidelines. Promotes and enforces domestic and foreign food industry compliance with these standards. Promotes understanding by industry of food safety and nutrition, and understanding by the public of the safe handling and use of foods.

*Drug Safety, Quality and Efficacy*

Ensures the timely acceptability for marketing in Canada of safe and effective drugs, their continued safety and effectiveness after evaluation and their judicious use. Conducts research into health hazards associated with the use of drugs. Establishes safety, quality and effectiveness standards and regulations. Evaluates products according to standards prior to their being placed on the market. Maintains surveillance to promote and enforce industry and product compliance with standards and regulations. Provides laboratory analysis to the Solicitor General. Provides information to health professionals to ensure the safe and effective use of drug products, and to consumers regarding drug safety. Monitors dangerous drug use and identifies abuse. Controls attempts to reduce the movement of dangerous drugs to the illicit market.

*Environmental Quality and Hazards*

Assesses and investigates the health effects of environmental pollutants. Assesses and controls medical devices, radiation sources and hazardous products. Monitors microbiological and chemical hazards associated with medical devices and promotes and enforces industry compliance with standards and regulations. Assesses the health effects of technological and sociological environments in conjunction with other organizational units in the Department.

*National Health Surveillance*

Measures changes in health and disease-risk factors in the Canadian population through applied epidemiological and laboratory microbiological studies and services, and disseminates such information throughout the health-care system, for the control and prevention of disease. Diagnoses and investigates disease outbreaks to minimize health and economic impacts. Provides national reference services for categorically identifying disease-producing bacteria, viruses and parasites. Works to control and prevent the spread of HIV infection and reduce the health, social and economic impacts of HIV infections/AIDS.

*Indian and Northern Health Services*

Ensures the availability of health services for the Inuit and Status Indian populations of Canada and residents of the Yukon Territory, and ensures access to them. Provides treatment services where necessary, a variety of community health services, hospital services in some areas, the National Native Alcohol and Drug Abuse Program and a variety of non-insured health benefits in addition to provincial, territorial and municipal health services for

clienteles. Works with Indian communities so that they may assume responsibility and control of health programs in accordance with their own needs and priorities.

Maintains accountability on behalf of the Minister for funds supporting Indian health programs and for the overall results of these programs after transfers are completed. Retains responsibility for health facilities, non-community-based training and education programs, for example Indian and Inuit Health Careers and Schools of Dental Therapy, and specific responsibilities as negotiated in transfer agreements. Ensures provision of environmental health services to Indian Bands across Canada through formal agreement with Occupational and Environmental Health Services.

*Health Services and Promotion*

Provides national leadership in health promotion by encouraging and assisting Canadians to adopt a way of life that enhances their physical, mental and social well-being. Promotes research and development of expertise in the health field by supporting the needs of the scientific community in the conduct of extramural research that culminates in improved health services. Provides leadership, professional and consultative services in the development, operation and change of health services oriented towards all Canadians including target groups with special needs.

*Health Insurance*

Administers the *Canada Health Act*, which establishes criteria and conditions for federal contributions to the provinces and territories in support of insured health services and certain extended health

care services. Monitors and assesses the compatibility or provincial and territorial health care insurance plans with the *Canada Health Act*. Provides payments to the provinces and territories in accordance with the *Canada Health Act* and as provided under the *Federal-Provincial Fiscal Arrangements and Federal Post-Secondary Education and Health Contributions Act*. Develops expertise in and provides assistance to health insurance plans and programs.

**Occupational and Environmental Health Services**  
Provides an occupational health and safety program for the Public Service of Canada under authority delegated by the Treasury Board. Provides environmental health services relating to common carriers, including passenger-carrying railway trains, vessels and aircraft. Provides field quarantine officers for vessel inspection services and for any quarantine incident, to prevent the introduction into Canada of infectious or contagious diseases through the application of the *Quarantine Act* and Regulations through a formal agreement with Health Protection Branch. Provides public health engineering function and laboratory services for all clientele. Provides environmental health services to Indian bands across Canada, and to all residents of the Yukon, through formal agreements. The resources are included under the Indian and Northern Health Services activity.

#### *Health Advisory Services*

Promotes health and safety in the field of aviation and reduces the risk of aircraft accidents due to human factors, through Civil Aviation Medicine. Co-operates with all levels of government to support health care and social service systems in times of peacetime disasters, and ensures that a mechanism is in place to assist the Canadian Government

to respond to the health and social-services needs of foreign countries in times of peacetime disasters, through Emergency Services. Advises the Canada Employment and Immigration Commission (CEIC) on claimants' entitlement to sickness/maternity benefits, through the Medical Advisory Unit. Identifies immigrants, refugees and certain classes of visitors who are medically unfit for admission to Canada, ensures that those in need admitted to Canada have access to emergency health services, ensures that federal employees and dependents are medically fit for posting abroad, and assists them to remain healthy while serving abroad, through Immigration and Overseas Health Services.

#### *Fitness and Amateur Sport*

Provides core support to the infrastructure of the Canadian sport system through contributions to National Sport Organizations. Provides support to Canadian athletes in their endeavour to attain the highest possible level of achievement. Provides support to domestic sport programs designed to improve the range and quality of competitive opportunities for Canadians at all levels. Encourages lifelong participation in physical activity, for all Canadians, as a means of improving their health, well-being and quality of life. Provides financial and technical assistance to various national fitness and recreation organizations and agencies. Provides proactive leadership in setting national and international strategies, in bringing public and private sectors together at all levels in the development and implementation of programs and opportunities, and in enhancing the capacity for reaching target markets. Co-ordinates the development of strategies and policies that guide Canada's international sport and fitness relations and positions. Serves in a leadership role to protect and

advance certain international sport and fitness issues. Provides support to encourage Canadians' participation in international sport and fitness organizations. Provides technical and administrative assistance programs to developing nations, enhancing Canada's profile abroad. Provides overall executive and strategic direction and communication on program initiatives through policy advice and guidance, planning, financial and administrative services, promotion and communications support services to ensure program resources are directed in an effective manner, and that more Canadians are aware of the benefits of sport and physical activity.

#### *Program Administration*

Provides direction, management, planning, program-specific policy development, direct delivery support services, scientific support services and annual resources.

#### Social Program

##### **Objective**

To maintain and improve the income security of the people of Canada, and to develop, promote, and implement social welfare policies and programs which support and advance the well-being of the people of Canada.

##### **Activity Description**

#### *Income Security*

Provides older Canadians, through the Canada Pension Plan and *Old Age Security Act*, a basic level of income to assist them to live in dignity (special income-tested provisions, such as the Guaranteed Income Supplement for pensioners with limited income and spouse's allowance for spouses of pensioners and for widows and widowers aged 60-64,

are essential components of this activity). Provides income protection for disabled Canada Pension Plan contributors and their families. Assists financially survivors (widows, widowers and orphans) when the family has suffered a loss of income through the death of a Canada Pension Plan contributor. Assists families with the cost of child-rearing as part of Canada's overall child benefits system. Ensures that migrants to and from Canada are able to exercise social security rights they acquired in their countries of origin to the greatest extent possible, through international security agreements.

#### *Cost-Shared Programs*

Shares 50 percent of cost to the provinces and territories for providing social assistance to persons in need, and welfare services to persons in need or likely to become in need under the *Canada Assistance Plan Act* with the exception of Ontario, Alberta and British Columbia (non-equalization provinces) where such sharing applies up to an annual rate of growth in expenditures of 5 percent over the 1989-90 base year. Cost-shared programs also provides comprehensive programs for the vocational rehabilitation of physically and mentally disabled persons under the *Vocational Rehabilitation of Disabled Persons Act*, and programs under the *Alcohol and Drug Treatment and Rehabilitation Agreements*.

#### *Social Development*

Provides contributions to social services organizations, schools of social work, individuals and other levels of Government for research and demonstration activities. Provides sustaining grants to national voluntary social service organizations. Provides consultative, informational and promotional services and financial support (including

Contribution Programs) to governmental and non-governmental organizations concerned with specific issues and related social services, with the following areas of focus: persons with disabilities, family violence (child abuse, child sexual abuse, spousal abuse and elder abuse), child care, independent living centres and international and inter-provincial adoptions. Provides contributions to programs, designed to encourage groups of seniors and those who work with them to design and implement projects which contribute to their well-being, independence, quality of life and betterment of their communities. Provides coordination within the federal Government and non-government organizations and communication of federal initiatives relating to children. Provides operational support to the Minister of State for Seniors and coordination of programs and policies for seniors across Canada.

#### *Program Administration*

Provides direction, management, planning, and program-specific policy positions and advice for the Minister and senior managers.

### **Federal Office of Regional Development—Quebec**

#### **Objective**

To promote the economic development of the regions of Quebec with low incomes, slow economic growth, or inadequate possibilities for productive employment, by emphasizing long-term economic development and sustainable employment and income creation, while concentrating efforts on small and medium-sized enterprises and on the development and enhancement of entrepreneurial talent.

### **Activity Description**

#### *Promotion of the Economic Development of the regions of Quebec*

To coordinate, support and promote regional economic development in Quebec, in large part through federal-provincial arrangements with the Province of Quebec for the central and resource regions, and through direct federal programs to deal with specific needs.

### **Medical Research Council**

#### **Objective**

To improve the health of Canadians through the promotion and support of excellent basic, clinical and applied research in the health sciences.

#### **Activity Description**

##### *Grants and Scholarships*

Grants in aid of operating and equipment requirements for research projects; direct support for a limited number of investigators and research trainees; incentives for the development of research in highly productive fields where major contributions may be expected and in fields or regions where research is not adequately developed; support for private sector-university collaboration in research; and support for symposia, international scientific activities and the exchange of scientists.

##### *Administration*

Scientific, technical and administrative support.

Note: The full wording of all authorities granted in current year Appropriation Acts, of all authorities granted by statutes other than Appropriation Acts, of all non-lapsing authorities granted / repealed in the current year, and of all authorities available from previous years is given in Section 1 of this volume.

(S) Statutory authority.

1) Treasury Board Vote 5—Government contingencies.

2) The breakdown of *Old Age Security Act* payments into old age security, guaranteed income supplement and spouse's allowance are estimates. Nevertheless, the total of these three amounts represents the actual expenditures.

3) The previous year's expenditure for Contributions to employee benefit plans was made by Industry, Science and Technology.

4) Federal Office of Regional Development—Québec was created as of June 13, 1991; therefore, the previous year's expenditure covers the period from June 13, 1991 to March 31, 1992.

## Customs and Excise

### Objective

To ensure that all duties, taxes and other relevant charges and levies are assessed, collected and where appropriate, refunded; to control, for the protection of Canadian industry and society the movement of people, goods and conveyances entering or leaving Canada as required to achieve compliance with legislation; to protect Canadian industry from real or potential injury caused by the actual or contemplated importation of dumped or subsidized goods, as well as by other forms of unfair foreign competition.

### Activity Description

#### Excise

To administer the *Excise Act*, the *Excise Tax Act* (including GST) and other relevant legislation and thereby ensure that duties, taxes and other relevant charges and levies are assessed, collected and where appropriate, refunded at least cost to the public and in a manner which ensures the highest degree of public confidence in the integrity, efficiency and fairness of the excise process.

#### Customs

To administer the *Customs Act*, Customs Tariff, *Special Import Measures Act* and other relevant legislation and regulations and thereby control, for the protection of Canadian industry and society, the movement of people, goods and conveyances entering or leaving Canada, and protect Canadian industry from real or potential injury caused by the actual or contemplated importation of dumped or subsidized goods as well as by other forms of unfair foreign competition.

### Corporate Administration

To provide management direction, planning co-ordination and central administrative services to the Department.

### Taxation

#### Objective

To assess and collect income taxes as well as other payments and to support social and economic programs of the Government in a fair and equitable manner through the administration of the *Income Tax Act* and other federal and provincial statutes and through the provision of assistance to Canadians, so they can comply with the law and benefit from these programs.

#### Activity Description

##### *Assistance to Taxpayers and Assessment of Returns*

To foster self-assessment and compliance by the taxpayer, this Activity includes: communicating to taxpayers their rights and obligations; providing them with the necessary forms and information for filing returns accurately and on time; responding to taxpayer enquiries; processing and assessing their returns when received; and advising them of the results through the issuance of Notices of Assessment. Also included is an advisory function provided to other Government departments with respect to the administrative feasibility of new legislation and tax treaties under negotiation; activities related to the registration of charities, pension and deferred income plans; and the provision of advance rulings on the tax implications of potential transactions.

### Post-Assessing Compliance Programs

To ensure fairness in the self-assessment system, this Activity carries out a range of post-assessing examinations, audits and investigations to verify the facts and reassesses taxpayers according to the results.

### Collections and Accounting

To collect and account for tax revenues, this Activity is concerned with collections of: amounts deducted at source by employers on behalf of non-employees; amounts remitted on behalf of non-residents, self-employed individuals and corporations based on estimates of their tax liabilities; and outstanding balances resulting from assessment or re-assessment. Also included, is the recording and crediting of all remittances to taxpayers, Canada Pension Plan, Unemployment Insurance, federal, and provincial accounts, as appropriate.

### Appeals

To provide taxpayers with a means of redress, this Activity involves the resolution of Notices of Objection and Appeals by an independent review of an assessment or re-assessment contested by a taxpayer. Included in this Activity is the disposal of applications from employers or employees regarding the determination of eligibility under the provisions of the *Canada Pension Plan Act* and the *Unemployment Insurance Act*.

### Administration and EDP Services

Includes executive direction provided by Head Office as well as by the five Regional Offices, electronic data processing services, internal audit and program evaluation, financial management, office of systems and services, security, human resources activities, training and Legal Services.

##### **Activity Description**

*Regulation of Construction of the Alaska Highway Gas Pipeline*

To carry out and give effect to the Agreement of September 20, 1977, between Canada and the United States; to facilitate the efficient and expeditious planning and construction of the pipeline, taking into account local, regional and national interests, including those of the native people, and carrying out federal responsibilities in relation to the pipeline; to facilitate consultation and co-ordination with the governments of the provinces and the territories; to maximize social and economic benefits while minimizing any adverse social and environmental effects; to advance national economic and energy interests and to ensure the highest possible degree of Canadian participation in all aspects of the planning, construction and procurement for the pipeline.

#### **Public Service Staff Relations Board**

##### **Objective**

To provide the framework within which the various rights and responsibilities of participants to collective bargaining in the Public Service are to be exercised and to provide information to participants on rates of pay and other conditions of employment in Canada.

##### **Activity Description**

*Staff Relations Administration*

The Public Service Staff Relations Board is a quasi-judicial statutory tribunal responsible for the administration of the systems of collective bargaining and grievance adjudication established under the *Public Service Staff Relations Act* and the *Parliamentary Employment and Staff Relations Act*. In addition it is responsible for the administration of certain provisions of Part II of the Canada Labour Code concerning occupational safety and health applicable to employees in the Public Service. Proceedings before the Board include applications for certification, revocation of certification, complaints of unfair labour practices, designation of employees whose duties are required to be performed in the interest of the safety or security of the public, and references of safety officers' decisions and complaints under the safety and health provisions of Part II of the Canada Labour Code. As well, the Board provides a mediation and conciliation service to assist the parties in the resolution of their differences. This service enables many matters to be settled without resort to formal proceedings before the Board.

The Board also provides physical premises and administrative support services to the National Joint Council which is a consultative body of rep-

resentatives of employers and employees for the determination of terms and conditions of employment that do not lend themselves to unit by unit bargaining.

##### *Pay Research Bureau*

The Pay Research Bureau conducts research and carries out surveys on rates of pay, benefits and conditions of employment primarily as they relate to those units of employees in the Public Service to whom the system of collective bargaining established by the *Public Service Staff Relations Act* applies. The Bureau also engages in similar activities in respect of groups that are excluded from that process.

#### **Security Intelligence Review Committee**

##### **Objective**

To provide external review of the Canadian Security Intelligence Service performance of its duties and functions; and to examine complaints by individuals or reports by ministers related to security clearances and the national security of Canada.

##### **Activity Description**

*Security Intelligence Review Committee*

The Security Intelligence Review Committee conducts research, institutes studies, undertakes compliance audits, and reports annually to Parliament on the activities of the Canadian Security Intelligence Service. The Committee also conducts investigations of relevant files, holds hearings, calls witnesses, and makes reports to the deputy heads and ministers concerned, or to the Governor in Council.

## Department

### Objective

To enhance among Canadians a sense of belonging to the country by promoting the use and understanding of the traditions and heritage of Canada and by increasing opportunities for participating fully in either official language in the educational, economic and social aspects of life in Canada.

### Activity Description

#### *Official Languages—Education*

Financial assistance to the provinces and territories to provide anglophones in Quebec and francophones in other provinces and the territories with the opportunity to educate their children in their own language at all levels of the educational system and to benefit from contact with their culture, and to provide all Canadians who wish to do so with the possibility of learning one of the two official languages as a second language and to learn about the culture of that language, including teacher training and upgrading, student bursaries for study at the post-secondary level, for summer language courses and for official-language monitoring positions, and bursaries awarded from the Queen Elizabeth Silver Jubilee Endowment Fund; to institutions, and associations for the collection and dissemination of information on the official languages in education and for the development of methods for teaching the official languages.

#### *Official Languages—Promotion*

To foster the development of official language communities, provision of financial and technical assistance to their organizations and institutions; for the establishment of community radio stations, and for the administration of justice in the two

official languages; and assistance to provincial and territorial governments for the implementation of services in the minority language and the promotion of official languages. To foster, and promote the use of official languages, provision of financial and technical assistance to voluntary and private sector organizations for activities designed to increase awareness of the advantages of linguistic duality or to expand their services in the two official languages. For those objectives, encourage federal interdepartmental coordination relating to official languages.

#### *Translation*

Provision of translation, interpretation and terminology services in all languages, including sign language, to Parliament, the Cabinet, the Public Service and the judiciary, and to all agencies created by Parliament or the Governor in Council.

#### *Education Support*

Coordination and development of federal Government policies and programs in the field of education; consultations and joint activities with the provinces on matters of common interest related to post-secondary education; administration of post-secondary education payments to the provinces and territories under the *Federal-Provincial Fiscal Arrangements and Federal Post-Secondary Education and Health Contributions Act*; administration of the *Canada Student Loans Act*; provision of financial assistance for the development, the promotion and the dissemination of Canadian studies learning materials; cooperation with the Department of External Affairs in ensuring the effectiveness of Canada's participation in international educational forums and activities.

#### *Social Development*

Provision of financial and technical support to individuals, non-governmental organizations, voluntary organizations, public and private institutions for the purpose of enabling Canadians to realize their full potential for individual and collective action in addressing their needs and aspirations; promotion and coordination, at the federal level as well as with institutions and the private sector, on specific issues to stimulate changes in attitudes and reduce discriminatory barriers which impede full participation.

#### *State Ceremonial and Canadian Identity*

Promotion of knowledge and understanding of Canada, its culture, history and traditions; promotion of participation by Canadians in events of national significance such as the Canada Day celebrations; organization of royal visits and administration of responsibilities related to the Crown and to state protocol.

#### *Regional Operations*

Management of social development and translation, giving particular attention to the specific needs of each region; representation of regional interests to private and public agencies; representation of interests of the Department of Secretary of State in the regions; management of a national network of regional offices.

#### *Administration*

Provision of executive direction for the Department; coordination of policy development and research; development and implementation of management policies and systems and provision of services in the areas of planning, communication, finance, administration, corporate support, personnel, legal services, program evaluation and internal audit.

## Objective

To assist in the maintenance of a competent Public Service by ensuring that the best qualified persons are recruited to or promoted within the Public Service, that qualified employees are deployed to meet operational requirements and that certain training services are provided on behalf of the Treasury Board.

## Activity Description

### Staffing Programs

The Staffing Programs activity encompasses activities in support of delegated and non-delegated staffing, including policy and program development, monitoring, consultation and advice, administration of staffing delegation, establishment of tests and standards for selection, administration of staffing priorities and services in support of recruitment and promotion. This activity also encompasses the delivery of employment equity programs; policy and special programs and assessment techniques in support of the Executive Programs.

### Executive Programs

The Executive Programs activity includes: recruitment, selection, assessment, and counselling of the executive group; development and implementation of career advancement policies, plans and programs for Executives and employees in the feeder

groups; administration of executive development programs on behalf of Treasury Board; management of international assignments and exchanges; and implementation of initiatives to increase representation of employment equity target groups in the Executive group.

### Audit and Review

The Audit and Review activity reviews departmental and PSC staffing practices and procedures in order to determine that appointments conform with the *Public Service Employment Act* and Regulations and Commission policy. It reviews the manner in which departments administer selected aspects of their personnel services for which Treasury Board has policy responsibility. This latter activity is governed by an agreement between Treasury Board Secretariat and the Public Service Commission. It also performs internal audit and program evaluation functions for the Commission.

### Appeals and Investigations

The Appeals and Investigations activity, through the establishment of independent boards, hears appeals by public servants against alleged breaches of the *Public Service Employment Act* and Regulations in such matters as appointment, demotion and release. In addition, complaints of alleged irregularities in staffing processes and matters of personal harassment in the workplace are investigated. Training, advice and assistance are provided to departments, unions and other interested individuals.

## Training Programs

The Training Programs activity is composed of two sub-activities:

**Language Training:** This sub-activity provides mandatory and discretionary language training in both official languages and related orientation and language training services, in conformity with Government policy, to meet the needs of departments and agencies in the federal Public Service. It provides second-language courses designed to meet the job-related linguistic requirements of departments, and a range of advisory, informational and coordinating services related to language training.

**Staff Development and Training:** This sub-activity provides professional, technical, policy, middle management and supervisory training and related specialized training and training services in both official languages to federal public servants across Canada in response to Treasury Board policies and departmental demands. It provides courses designed to meet the job-related training and developmental requirements of departments and a range of advisory, informational and coordinating services related to training.

## Administration

The Administration activity includes the activities of the Chairman and Commissioners, corporate policy and strategic planning, co-ordination of parts of the Official Languages Program for which the PSC is responsible, management systems and policies, and financial, personnel, communications and other administrative and support services for the Commission.

## Department

### Objective

To provide overall policy direction to the programs of the Department, and to perform review functions related to departmental agencies.

### Activity Description

#### *Ministry Secretariat*

The Secretariat provides strategic and corporate advice for the Solicitor General, and the Deputy Solicitor General; develops police and security policy and advice; develops counter-terrorism policy including development, coordination, and implementation of the National Counter-Terrorism Plan, develops corrections policy and advice; provides executive, communications, legal, planning and resource management, financial and administrative services.

#### *Review Agencies*

The Office of the Inspector General of CSIS monitors the compliance by the Service with its operational policies; reviews operational activities of the Service; submits an annual certificate on the Service's operations to the Solicitor General and conducts such reviews of specific activities of the Service as may be directed.

The Office of the Correctional Investigator investigates and reports on problems of offenders that come within the responsibility of the Solicitor General of Canada.

## Canadian Security Intelligence Service

### Objective

To provide security intelligence to the Government of Canada.

### Activity Description

#### *Canadian Security Intelligence Service*

Collects, analyses and retains information and intelligence respecting activities that may be suspected of constituting threats to the security of Canada; and reports to and advises the Government of Canada in relation to these threats; and provides security assessments.

## Correctional Service

### Objective

To contribute, as part of the criminal justice system, to the protection of society by actively encouraging and assisting offenders to become law-abiding citizens, while exercising reasonable, safe, secure and humane control.

### Activity Description

#### *Correctional Operations*

Provision of essential services that relate to each stage in the offender's sentence, including any period of conditional release. These services include: the provision of physical health care to inmates as well as mental health care to both inmates and conditionally released offenders; supervision and control of inmates in concert with physical and perimeter security; case management operations; and community supervision and after-care services.

## Correctional Programs

Provision of a range of programs designed to promote the rehabilitation of offenders including: academic and vocational training, employment and occupational development; chaplaincy programs and services; and other programs designed to address specific cultural, social, spiritual and personal development needs.

#### *Technical and Inmate Services*

Provision of functions directly related to food, clothing and housing services to inmates and to the construction, maintenance and operation of correctional institutions. These include: goods and services in support of institutional activities; engineering and maintenance in support of physical plant, program facilities and transportation; and capital program management services.

#### *Management and Administration*

Provision of corporate services such as strategic planning, corporate policy, research, communications, program evaluation, audit, legal services and executive services. In addition, this activity encompasses those management services of personnel, finance, systems, administration, and the coordination of operational and resource planning.

## National Parole Board

### Objective

To exercise statutory and regulatory powers to grant and to control the conditional release of persons undergoing sentences of imprisonment and to make recommendations for pardons and the exercise of the Royal Prerogative of Mercy.

## **Activity Description**

### *Parole Board Operations*

In accordance with the provisions of the *Parole Act*, and other relevant statutes, the National Parole Board is an independent administrative body which grants, denies and controls the conditional release of inmates of federal penitentiaries, and recommends the exercise of the Royal Prerogative of Mercy and the granting of pardons. In addition, the National Parole Board exercises the same powers and responsibilities, with the exception of the granting of temporary absences, for provincial inmates in provinces without provincial parole boards.

### **Royal Canadian Mounted Police**

#### **Objective**

To enforce laws, prevent crime, maintain peace, order and security.

#### **Activity Description**

##### *Operations*

Includes a wide variety of law enforcement programs in support of federal, provincial and municipal governments. Assistance and cooperation with accredited police agencies and services to the general public are provided.

##### *Protective*

Provides security and protection for Canadian and foreign dignitaries, federal Government facilities/assets, major events as well as designated airports, and encompasses the research, development and evaluation of security equipment, materials and concepts.

### *Law Enforcement Services*

Assists Canadian law enforcement agencies by providing specialized police training, forensic laboratory, identification and information services.

#### *Corporate Management*

Includes the management of strategic and corporate planning, policy design, financial planning and program evaluation. Responsiveness and accountability is ensured by the coordination of communications, public affairs, information access, ministerial liaison and external review and appeals.

#### *Administration*

Encompasses the organization and management of the Department's human resources, its training programs, staffing, health and language services, and the administration of materiel management, the real property program and services.

### **Royal Canadian Mounted Police External Review Committee**

#### **Objective**

To provide external review of certain types of grievances, formal disciplinary and discharge and demotion appeals referred to it from the Royal Canadian Mounted Police.

#### **Activity Description**

##### *Royal Canadian Mounted Police External Review Committee*

The Royal Canadian Mounted Police External Review Committee which reports annually to Parliament is a neutral third party providing an inde-

pendent and impartial review of cases. The Committee may institute hearings, summon witnesses, administer oaths and receive and accept such evidence or other information as the Committee sees fit. The findings and recommendations of the Chairman, or Committee, are sent to the parties and the Commissioner of the Royal Canadian Mounted Police.

### **Royal Canadian Mounted Police Public Complaints Commission**

#### **Objective**

To provide the public with an opportunity to make complaints regarding the conduct of members of the RCMP in the performance of their duties, and to have the complaints examined by an external body in an independent and impartial manner.

#### **Activity Description**

##### *Royal Canadian Mounted Police Public Complaints Commission*

The RCMP Public Complaints Commission is an impartial and independent body that receives and examines complaints brought before it. The Commission may conduct investigations, hold public hearings, summon witnesses, administer oaths, accept such evidence as the Commission sees fit, and make findings and recommendations to the Commissioner of the RCMP and the Solicitor General of Canada. The Commission Chairman submits an annual report to the Solicitor General setting out a summary of activities and a list of recommendations made during the year, for tabling before each House of Parliament.

## Department

### Objective

To contribute to the achievement of value for money, the preservation of fairness and integrity in Government administration and the support of Government objectives, by delivering or facilitating a wide range of valued essential services in the areas of supply, personnel and finance, that enable departments and agencies of the Government of Canada to achieve their objectives.

SSC provides common services in relation to compensation, financial and personnel management systems, as well as the centralized Receiver General for Canada functions including payment, collection, and banking services, maintenance of the accounts of Canada and preparation of the Public Accounts. SSC also provides common services for the procurement of goods and services required by departments and agencies, and for the disposal of Crown-owned material. SSC's Special Operating Agencies provide a range of services such as consulting and audit, printing and publishing, and standards development, on a fee-for-service/appropriation basis.

### Activity Description

#### *Central and Common Services*

This activity consists of central and common services in the areas of supply, personnel, and finances, where each service is a sub-activity and incorporates directly related service line management and delivery functions throughout the Department. Central and

common services are developed in an integrated manner at headquarter to meet a wide variety of client needs, and are delivered to approximately 100 departments and agencies through a network of offices across Canada, in Europe and in the United States in conformance with established client service and resourcing standards.

Each sub-activity includes resources dedicated only to that particular sub-activity, as well as an allocated portion of those resources in regional directorates which provide direct support to more than one central and common services sub-activity.

Central services provided to the Government as a whole are:

- Banking and Cash Management;
- Central Accounting and Reporting; and
- Socio-economic and other payments.

Common services provided to federal departments and agencies are:

- Acquisitions;
- Compensation services;
- Crown assets distribution;
- Information management;
- Major Crown projects;
- Management information support services;
- Stocked item supply; and
- Traffic management.

#### *Program Support and Administration*

This activity is composed of two categories: program administration (a variety of functional services supporting the Supply and Services Program) and program support (composed of several functions in directly supporting multiple central and common services).

Program Administration comprises:

- Administration;
- Corporate policy and planning;
- Finance;
- Human resources; and
- Program management.

Program Support comprises:

- Central and common service delivery support;
- the Contract Settlement Board;
- Contractual cost and financial review; and
- Security.

#### *Special Operating Agencies*

This activity encompasses the individual Special Operating Agencies (SOAs) which offer a range of optional services to departments and agencies on a fee-for-basis. Some mandatory services are also provided and some services are funded by vote. The SOAs include the Canada Communication Group, the Canadian General Standards Board and Consulting and Audit Canada. Services offered include: printing, publishing and a wide range of communication services; production of consensus standards for Government and consumer products and services; and consulting, auditing and related services.

## Canadian Commercial Corporation

### Objective

To provide an effective, responsive government-to-government export contracting service to the private and public sectors in Canada, at the least cost to the Canadian taxpayer, and to provide an efficient and effective contract management service to foreign governmental customers.

## Royal Canadian Mint

### Objectives

- To produce and arrange for the production and supply of coins of the currency of Canada;
- To produce coins of the currency of countries other than Canada;
- To melt, assay, refine, buy and sell gold, silver and other metals for the account of Canada; and
- To make medals, plaques and other things as are incidental to the powers of the Mint.

## Department

### Objective

To attend to the development and operation of a safe and efficient national transportation system that contributes to the achievement of Government objectives, and to operate specific elements of this system.

### Activity Description

#### *Policy and Coordination*

The Policy and Coordination activity is responsible for coordination of transportation policy, involving the marine, air and surface modes and Crown corporations; provision of secretariat services; compliance with *Access to Information/Privacy/Canadian Human Rights Act*; short and long-term strategic policy planning and development; economic analysis; research and development; management of provision of financial support for marine, air and surface transportation systems including VIA Rail, the Branch Line Rehabilitation/Hopper Car Program, Economic and Regional Development Agreements (ERDAs), Newfoundland Railway Containerization Program, ferry services consisting of Marine Atlantic, private operators and provincial authorities, Newfoundland Dockyard Company, Canada Ports Corporation, and the St. Lawrence Seaway Authority (Jacques Cartier and Champlain Bridges).

#### *Marine/Canadian Coast Guard*

Marine Transportation activities encompass the provision of marine navigation systems, including short and long range navigational aids, waterways, vessel traffic services, safety and public correspondence communications; provision of route assistance through ice-infested waters; monitoring

and control of potentially hazardous ice conditions; provision of facilities and services in support of other departments and agencies; coordination of the resupply of northern settlements; support of arctic research and development; direct services as part of the federal Government's commitment to marine search and rescue, enhanced by the use of the Canadian Marine Rescue Auxiliary organizations; promotion of boating safety; development, promulgation and enforcement of policies, regulations and standards relative to marine transportation; emergency planning and pollution clean-up; the development, administration and maintenance of public harbours and ports.

Also included and enabled through Crown corporations and other entities are the provision of pilotage services within Canadian waters; the development, operation and maintenance of nine commission harbours; and the operation of the vessel M.V. Arctic.

#### *Aviation*

The Aviation activity is responsible for the development and operation of essential air navigation facilities and services including provision of policies, plans and procedures, flight calibration/inspection services and aeronautical information; provision of reliable air navigation facilities, electronic systems and equipment; maintaining the safe, orderly and expeditious flow of air traffic through control and guidance of aircraft movement in airspace and on airport manoeuvring areas; regulation and control of civil aviation activities including detection of unsafe conditions; promotion of safety; and provision of aircraft services to Transport Canada and other federal departments and agencies.

### *Airports*

Airports is responsible for the development, maintenance and operation of civil airport facilities and services in Canada, applying a commercially-oriented management approach to lead to system self-sufficiency. Airport operations involve provision of services to passengers and aircraft such as emergency response services, and the maintenance and upkeep of airport facilities including terminals, parking garages, runways, roads, mechanical and electrical equipment. Airports operated by Transport Canada involve eight major airports and 97 national, regional and local airports.

### *Surface*

The Surface Group is responsible for the development, implementation and monitoring of policies and programs concerning railway safety, road safety and motor vehicle regulation, and transport of dangerous goods, and for the development, preparation and maintenance of emergency plans and procedures for the surface modes during national emergencies.

### *Departmental Administration*

The Departmental Administration activity provides direction and management to the Department and Crown corporations through the Executive Offices of the Minister, Minister of State and Deputy Minister. The Assistant Deputy Minister (ADM) Finance and Administration centrally controls and provides services to the Department in areas of finance, planning and programming, cost recovery and economic evaluation, general administrative services, management systems, communications and informatics, and materiel and contracting. The ADM Personnel centrally controls and provides personnel and training services to the Department. Other services include internal audit, program evaluation and review, public affairs, legal counsel, security and emergency planning.

## **Civil Aviation Tribunal**

### **Objective**

To provide the aviation community the opportunity to appeal enforcement decisions or penalties assessed under the *Aeronautics Act*.

### **Activity Description**

#### *Review and Appeal Hearings*

Provides for the operation of an independent Civil Aviation Tribunal to respond to requests from the aviation community for review of enforcement decisions and/or penalties assessed by the Minister of Transport under the *Aeronautics Act*; to conduct hearings into such appeals; and to advise the Minister to sustain such decisions or to substitute the Tribunal's decisions or to request the Minister to reconsider.

## **Grain Transportation Agency Administrator**

### **Objective**

To ensure that, for specified aspects of the grain handling and transportation system, western grain moves to domestic and export positions in a prompt, efficient and orderly manner.

### **Activity Description**

#### *Grain Transportation Agency Administrator*

Co-ordination and management of grain handling and transportation so that grain moves in a prompt, efficient and orderly manner for the maximum benefit of producers. This includes allocating railway cars to grain shippers; identifying, developing

## Secretariat

Central Administration of the Public Service Program

### Objective

To support the Treasury Board in performing its statutory responsibilities for the management of the Government's financial, human and materiel resources.

### Activity Description

#### *Expenditure Management*

On the basis of the analysis of departmental plans and programs, to recommend to the Government the acceptance or modification of specific expenditure proposals, in order to:

- reflect the priorities which the Government assigns to the objectives;
- increase the effectiveness of existing and proposed programs;
- increase the efficiency with which the personnel resources, facilities, equipment, materials and supplies are used in the operation of programs; and
- to develop the Estimates for the approval of Parliament.

#### *Personnel Management*

The development, communication and evaluation of the personnel and official languages policies, regulations, standards, systems and terms and conditions of employment to enable managers to manage the human resources required to carry out Government programs, and the development and implementation of policies promoting effective employer-employee relations in the Public Service.

#### *Administrative Management*

The development, communication and evaluation of administrative, real property and information policies, regulations, standards and systems in order to ensure probity, prudence, efficiency and effectiveness in the acquisition of materiel and related services required to provide effective support to Government programs.

#### *Administration*

Includes executive direction for the Secretariat; and information, financial, personnel and administrative services.

Government Contingencies and Centrally Financed Programs

### Objective

To provide funds for unforeseen expenditures which arise after the Main Estimates have been tabled and for centrally managed programs.

### Activity Description

#### *Government Contingencies*

Provides funding for increased salary costs arising out of negotiated and non-negotiated agreements and other payroll requirements not included in departmental Estimates and for expenditures of a miscellaneous character which cannot be foreseen when the Estimates are drawn up.

#### *Employment Initiatives*

Provides funding for qualifying projects approved during the fiscal year which support the Government's employment strategy.

Employer Contributions to Insurance Plans Program

### Objective

To provide for contributions by the Government as employer in respect of employee insurance and benefit plans and programs and for payments made under certain residual pension plans.

### Activity Description

#### *Public Service Insurance*

Provides for the payment of the employer's share of health, income maintenance and life insurance premiums, for payments to or in respect of provincial health insurance plans, provincial payroll taxes and the employee's share of the unemployment insurance premium reduction.

#### *Public Service Pensions*

Provides for payments under the *Public Service Pension Adjustment Act* and for employer costs of pension and social security plans to which employees engaged locally outside of Canada are subject.

## Comptroller General

### Objective

To support cost-effective and accountable management in departments and agencies of the federal Government by ensuring the establishment and maintenance of sound financial management, audit and program evaluation.

## Activity Description

### *Financial Management*

The objective of the financial management activity is that financial management information needs and accountability requirements are met through sound financial systems, accounting, reporting and control.

### *Evaluation and Audit*

The objective of the evaluation and audit activity is that departments and agencies have credible information available through audit and evaluation on the control, performance and relevance of their program and administrative activities and use that information to improve or confirm these activities.

### *Corporate Affairs and Professional Development*

The objective of the Corporate Affairs and Professional Development activity is that effective management direction, corporate performance information and administrative support be provided for the Office as well as advice and support for the professional development of the three communities under the Office's functional direction.

**Department**

Veterans Affairs Program

**Objective**

To provide support for the economic, social, mental and physical well-being of veterans, their dependants and other eligible persons.

**Activity Description***Health Care*

The provision to qualified veterans of hospital, medical and domiciliary care, out-patient medical and dental treatment, health care assessments, social welfare counselling, prosthetic services and related training, allowances and ancillary benefits.

*Pensions*

Administration and payment of pensions and benefits for disability and death in accordance with the *Pension Act*, *Merchant Navy Veteran and Civilian War-related Benefits Act* (formerly *Civilian War Pensions and Allowances Act*), *Flying Accidents Compensation Regulations*, *Civilian Government Employees (War) Compensation Order* and related Acts and Orders.

*Economic Support*

Administration of matters relating to the financial support and other special programs for veterans, their dependants and certain other specified persons. These benefits include: War Veterans Allowances and Civilian War Allowances and supplementary

financial assistance on the basis of need; educational assistance for veterans and the pensioned children of deceased veterans; specialized welfare services for blind, deaf and paraplegic veterans; special housing assistance for veterans. Operation of two sheltered workshops to produce poppy emblems and memorial wreaths for the Royal Canadian Legion Poppy Day Campaign and various memorial occasions.

*Management of Property Contracts*

Provision of property management and other services including post-loan counselling, real estate appraisals, and the administration of sale contracts relating to properties the titles to which are in the name of the Director, the *Veterans' Land Act*.

*Departmental Administration*

Operation of the offices of the Minister, Deputy Minister, two Assistant Deputy Ministers and the managerial support functions of finance, personnel, management services, corporate services, communications, audit, security services, and the coordination of access to information and privacy.

Canadian Pension Commission Program

**Objective**

To award disability pensions and associated benefits provided by the various statutory instruments under which it operates as compensation for disability or death related to military or other qualified service.

**Activity Description***Pensions*

Adjudicates and sets adjudicative policy under the *Pension Act*, the *RCMP Superannuation and Pension Continuation Acts*, Parts I to X of the *Merchant Navy Veteran and Civilian War-related Benefits Act* (formerly *Civilian War Pensions and Allowances Act*) and various other Acts, Orders and Regulations. The Commission also administers and manages the War Veterans Distress Fund and other trust funds.

Bureau of Pensions Advocates Program

**Objective**

To ensure that persons seeking to establish claims under the *Pension Act* and related statutes or making an appeal under the *War Veterans Allowance Act* have access to an independent professional legal service providing a solicitor and client relationship.

**Activity Description***Pensions*

This Bureau provides legal aid to persons seeking to establish claims under the *Pension Act*, R.S., 1985, c. P-6, and allied statutes and orders or an appeal to the Veterans Appeal Board. This service is provided by professional advocates and support staff in 21 district offices located throughout Canada. The Bureau must accept all requests for assistance from eligible veterans or dependants of deceased veterans. The services of the Bureau are free but applicants may employ a private lawyer at their own expense or be represented by a service officer of an accredited veterans' organization.

**Objective**

To provide a system of appeals to ex-members of the Armed Forces, and RCMP, certain civilians and/or their respective dependents in order to ensure they receive the full benefits they are entitled to under the *Pension Act*, the *War Veterans Allowance Act*, the *Merchant Navy Veteran and Civilian War-related Benefits Act* (formerly *Civilian War Pensions and Allowances Act*) and related statutes.

**Activity Description***Pensions*

Provides a system of appeals to ex-members of the Armed Forces, and RCMP, certain civilians and/or their dependants on decisions rendered by the Entitlement and/or Assessment Boards of the Canadian Pension Commission and on appeals to rulings made by the Department of Veterans Affairs under the *Pension Act*, the *Merchant Navy Veteran and Civilian War-related Benefits Act* (formerly *Civilian War Pensions and Allowances Act*) and the *War Veterans Allowance Act* respectively as well as other related statutes. The Board also interprets this legislation and is the final appeal level within Veterans Affairs.

**Objective**

To promote economic diversification in Western Canada in a manner that provides added influence for the West in national policy and decision-making, that improves client services in the West and that facilitates federal-provincial coordination.

**Activity Description***Western Economic Diversification*

To more effectively guide, in close cooperation with western stakeholders, federal Government policies, regulations and resources so that they become more constructive instruments of western economic growth and diversification.

# INTRODUCTION TO THE PUBLIC ACCOUNTS

## Nature of the Public Accounts

The Public Accounts is the report of the Government of Canada prepared each fiscal year by the Receiver General as required by Section 64 of the Financial Administration Act.

The report covers the fiscal year of the Government, which ends on March 31, and is prepared from data contained in the accounts of Canada and from more detailed records maintained in departments and agencies. The accounts of Canada is the centralized record of the Government's financial transactions maintained by the Receiver General in which the transactions of all departments and agencies are summarized. Each department and agency is responsible for reconciling its accounts to the control accounts of the Receiver General, and for maintaining detailed records of the transactions in their accounts.

The report covers the financial transactions of the Government during the year. In certain cases, parliamentary authority to undertake transactions was provided by legislation approved in earlier years.

## Format of the Public Accounts

The Public Accounts is produced in two volumes.

**Volume I** presents a summary analysis of the financial transactions of the Government.

**Volume II** is published in two parts. **Part I** presents the financial operations of the Government, segregated by ministry while **Part II** presents additional information and analyses. The content of **Part II** is summarized as follows:

- financial statements of revolving funds (Section 1);
- financial statements of departmental corporations and other entities (Section 2);
- supplementary information required by the Financial Administration Act (Section 3);
- accounts receivable (Section 4);
- professional and special services (Section 5);
- construction and/or acquisition of land, buildings and works (Section 6);
- construction and/or acquisition of machinery and equipment (Section 7);
- transfer payments (Section 8);
- public debt charges (Section 9);
- payment of claims against the Crown, ex gratia payments and Court awards (Section 10);
- federal-provincial shared-cost programs (Section 11);
- other Government-wide information (Section 12); and,
- other miscellaneous information (Section 13).

## Canada Communication Group Revolving Fund

## MANAGEMENT REPORT

The accompanying financial statements of the Canada Communication Group Revolving Fund (CCGRF) have been prepared by Canada Communication Group in accordance with Treasury Board policies, and reporting requirements and standards of the Receiver General for Canada.

These financial statements were prepared in accordance with the significant accounting policies set out in Note 2. Some of the information included in these financial statements is based on management's best estimates and judgement and gives due consideration to materiality. Financial information contained in the ministerial statements and elsewhere in the Public Accounts is consistent with that in these financial statements.

The primary responsibility for integrity and objectivity of the statements rests with Corporate services of Government services Canada. This responsibility is discharged by the Finance directorate which develops and disseminates financial management and accounting policies, and issues specific directives necessary to maintain standards of accounting and financial management. In order to assure maximum objectivity and freedom from bias, financial audits in support of these financial statements have been conducted on behalf of the audit and review committee of the Department.

Furthermore, the Agency maintains internal controls designed to indicate accountability, provide assurance that assets are safeguarded and that reliable financial records are kept. Financial management and internal controls are augmented by the maintenance of internal audit programs.

**NOTES TO THE FINANCIAL STATEMENTS  
MARCH 31, 1993****1. Purpose and authority**

The Canada Communication Group (CCG) is a Special Operating Agency created in December 1989. CCG's mission is to be a quality-driven organization committed to providing clients across the country with a full range of communication products and services. These include printing, publishing, exhibitions, film, video, photography and all communications professional services.

CCG's market, as identified in its Charter document approved by Treasury Board, is Government departments, agencies and Crown corporations across Canada and their associated international offices as well as any other customer as authorized by legislation or Order-in-Council, such as provincial and municipal governments.

The Canada Communication Group was established within the Supply Revolving Fund, effective April 1, 1991. The authority to make expenditures out of the Consolidated Revenue Fund was granted in the 1991-92 Supplementary Estimates Vote 12c, with an authorized limit of \$100,000,000, effective April 1, 1992. The Fund has a continuing non-lapsing authority

from Parliament to make payments out of the Consolidated Revenue Fund for working capital, capital acquisitions and temporary financing of accumulated operating deficits. Transactions prior to April 1, 1992, relating to Canada Communication Group operations were included in the wind-up of the Supply Revolving Fund.

An amount of \$19,912,928 representing net assets assumed by the Fund and assets contributed to the Fund, was charged to this authority when the Fund became budgetary in 1992.

## 2. Significant accounting policies

## (a) Revenue

Revenues resulting from the supply of contracted products and services are recorded by the percentage of completion method. Profits are recognized primarily upon completion of contracts except for certain contracts for professional services, wherein profits are recorded as work progresses on individual contracts on the basis of percentage of completion.

## (b) Inventory

Inventory is valued at the lower of cost or net realizable value.

## (c) Capital assets

Capital assets, leasehold improvements and assets under capital leases are recorded at cost and amortized on a straight-line basis over their estimated useful lives starting the year following acquisition. A full year's amortization is taken in the year of disposal. Estimated useful lives range from 5 to 10 years.

## (d) Assets under capital leases

Leased assets meeting certain criterion are accounted for as acquisitions of assets and assumptions of obligations. The asset is amortized and the obligation, including interest therein, is liquidated over the life of the lease.

## (c) Employee termination benefits and vacation pay

Canada Communication Group has recorded the termination benefits and vacation pay which have been earned by employees since April 1, 1991, as provided for under collective agreements. Benefits earned prior to April 1, 1991 and estimated at \$14 million as at March 31, 1993, represent an obligation of Canada Communication Group and will be funded by Treasury Board.

## 3. Inventories

Inventories were comprised of:

|                                  | 1993             | 1992             |

## Canadian Pari-Mutuel Agency Revolving Fund

## MANAGEMENT REPORT

The accompanying financial statements of the Canadian Pari-Mutuel Agency Revolving Fund have been prepared as required by and in accordance with the policy of the Treasury Board on revolving funds and the reporting requirements and standards of the Receiver General for Canada. The primary responsibility for the integrity and objectivity of the data in these statements rests with the management of the Fund.

These financial statements were prepared in accordance with significant accounting policies on a basis consistent with that of the preceding year, as set out in Note 2. Some of the information included in these financial statements is based on management's best estimates and judgements and gives due consideration to materiality. Information presented herewith is consistent with that presented elsewhere in the Public Accounts and in departmental reports. Transactions are executed in accordance with prescribed regulations, within parliamentary authorities and are properly recorded to maintain accountability of Government funds and safeguard the Fund's assets. The Fund maintains a set of accounts which provides a centralized record of the Fund's financial transactions.

The Department's Corporate Management Branch develops and disseminates financial management and accounting policies and issues specific directives to the staff managing the Revolving Fund in order to maintain standards of accounting and financial management.

Financial management and internal control of the Fund are maintained through the appropriate division of responsibility, the provision of leadership and evaluation of those operating the Fund as well as internal audit programs. The Fund also seeks to assure the objectivity and integrity of data in its financial statements by the careful selection, training and development of qualified staff, by organizational arrangements that provide appropriate divisions of responsibility and by communication programs aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

## NOTES TO FINANCIAL STATEMENTS MARCH 31, 1993

### 1. Authority and purpose

The Canadian Pari-Mutuel Agency Revolving Fund was established under *Appropriation Act No. 1, 1970*, which authorized the operation of the Fund in the current and subsequent fiscal years in accordance with terms and conditions prescribed by Treasury Board for the purpose of providing race track supervision in Canada. The *Appropriation Act No. 1* was repealed and replaced by section 2 of the *Revolving Funds Act* in 1985.

The Fund has a continuing non-lapsing authority from Parliament to make payments out of the Consolidated Revenue Fund for working capital, capital acquisitions and temporary financing of accumulated operating deficits, the total of which is not to exceed \$2,000,000 at any time.

Charges to the Fund are to include administration expenses of the Agency and costs of research relating to the use of drugs on horses and race surveillance techniques including the publication, distribution and sale of the results of such research. All revenues from activities approved by Treasury Board are to be credited to the Fund.

The use of the Fund's authority is monitored through the accumulated net charge against the Fund's authority account. Its balance, shown on the balance sheet under Equity of Canada, represents the financial position of the revolving fund. It is composed of the cumulative net cash transactions through the Consolidated Revenue Fund, the original net assets transferred to the Fund at inception and any subsequent write-off of deficit or surplus. The change in this account during the year represents the net financial resources used or provided by the Fund.

### 2. Significant accounting policies

#### (a) Capital assets

Capital assets, acquired from parliamentary appropriations prior to April 1, 1970 are recorded in the Fund in accordance with Treasury Board Circular 1970-7 at values determined as at that date by officers of the Department. Subsequent acquisitions are recorded in the Fund at cost and are amortized from the year of the acquisition on a straight-line basis over their estimated useful lives as follows:

|                                      |          |
|--------------------------------------|----------|
| Furniture and equipment              | 10 years |
| Electronic data processing equipment | 5 years  |
| Automotive                           | 3 years  |
| Buildings                            | 25 years |

#### (b) Pension plan

Employees of the Canadian Pari-Mutuel Agency operating the Supervision Revolving Fund are covered by the *Public Service Superannuation Act* and the *Supplementary Retirement Benefits Act*. The Government of Canada's portion of the pension cost is included in the employee fringe benefit charge assessed against the Fund. The actual payment of the pension is made from the Public Service Superannuation and the Supplementary Retirement Benefits Account.

#### (c) Vacation pay

The accrued liability on the balance sheet represents the amount of vacation pay credits outstanding at the end of the year.

#### (d) Employee termination benefits

Employees leaving Government service generally receive termination benefits at the rate of one week's pay for each complete year of continuous service to a maximum of twenty eight weeks' pay. However, upon resignation benefits are generally payable only to those with ten or more years of continuous service and the entitlement is reduced to one half week's pay for each year of continuous employment to a maximum of fifteen weeks' pay.

The provision at the end of the year consists of one half week's pay at current salary rates for each complete year of service to a maximum of fifteen weeks' pay.

## Consulting and Audit Canada Revolving Fund

## MANAGEMENT REPORT

We have prepared the accompanying financial statements of the Consulting and Audit Canada Revolving Fund as required by and in accordance with the policy of Treasury Board on revolving funds and reporting requirements and standards of the Receiver General for Canada.

These financial statements were prepared in accordance with the significant accounting policies set out in Note 2, on a basis consistent with that of the preceding year. Some previous year's figures have been reclassified to conform to the current year's presentation. Some of the information included in these financial statements is based on management's best estimates and judgement and gives due consideration to materiality. To fulfill this reporting responsibility, the Fund maintains a set of accounts which provides a centralized record of the Fund's financial transactions. Financial information contained in the ministerial statements and elsewhere in the Public Accounts is consistent with that in these financial statements, unless indicated otherwise.

These financial statements have been examined by external auditors, their role being to express an informed judgement as to whether the financial statements present fairly the financial position of the Fund as at March 31, 1993 and the results of its operations and the change in financial position for the year ended in accordance with the accounting principles for Revolving Funds of the Government of Canada.

The primary responsibility for the integrity and objectivity of data in these financial statements rests with the management of the Fund. This responsibility is discharged by the Finance Branch which develops and disseminates financial management and accounting policies, and issues specific directives necessary to maintain standards of accounting and financial management. In order to assure maximum objectivity and freedom from bias, financial audits in support of these financial statements have been conducted on behalf of the Audit and Review Committee of Government Services Canada, formally, Supply and Services Canada.

Furthermore, the Fund maintains internal controls designed to indicate accountability, provide assurance that assets are safeguarded and that reliable financial records are kept. The Fund also seeks to assure the objectivity and integrity of data in its financial statements by the careful selection, training and development of qualified staff, by the organizational arrangements that provide appropriate divisions of responsibility, and by communication programs aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the agency.

The Consulting and Audit Canada Revolving Fund was established within the Supply Revolving Fund, effective April 1, 1991. The authority to make expenditures out of the Consolidated Revenue Fund was granted in the 1991-92 Supplementary Estimates (C) Vote 13c, with the authorized limit of \$30 million, effective April 1, 1992. Transactions prior to this date relating to the operations of Consulting and Audit Canada were included in the wind-up of the Supply Revolving Fund and are presented in these statements for comparative purposes.

## AUDITORS' REPORT

DIRECTOR GENERAL, AUDIT AND EVALUATION  
GOVERNMENT SERVICES CANADA

We have audited the balance sheet of Consulting and Audit Canada as at March 31, 1993 and the statements of operations and accumulated deficit and changes in financial position for the year then ended. These financial statements are the responsibility of the management of Consulting and Audit Canada. Our responsibility is to express an opinion on these financial statements based on our audit.

We have conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit

includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of Consulting and Audit Canada as at March 31, 1993 and the results of its operations and the changes in its financial position for the year then ended in accordance with the accounting principles for Revolving Funds of the Government of Canada as described in Note 2.

## NOTES TO FINANCIAL STATEMENTS MARCH 31, 1993

### 1. Purpose and authority

Consulting and Audit Canada (CAC) is a Special Operating Agency which performs consulting and auditing assignments on a fee for services basis for federal government departments and agencies as well as to some other organizations.

CAC is financed by means of the Consulting and Audit Canada Revolving Fund, effective April 1, 1992. The Fund provides a line of credit to a maximum of \$30,000,000 to fund operations under section 7(3)(a), (b) and (f) of the *Department of Supply and Services Act*.

Advances drawn under these authorities are subject to interest under some circumstances.

### 2. Significant accounting policies

#### Revenues and expenses

Revenues and expenses are recorded on the accrual basis of accounting with the following variation:

Employee benefits (termination benefits and vacation pay) accrue to employees over their years of service with the Government of Canada as provided for under collective agreements. CAC provides for the severance entitlements earned by employees since April 1, 1991. No accrual is made for severance entitlements on service prior to April 1, 1991. Benefits earned prior to April 1, 1991 and estimated at \$7 million as at March 31, 1993 represent an obligation of CAC and will be funded by the Treasury Board.

#### Amortization

Capital assets are depreciated commencing the year after acquisition on the straight-line basis over their estimated useful lives as follows:

|                        |          |
|------------------------|----------|
| Furniture              | 5 years  |
| EDP equipment          | 5 years  |
| Printing equipment     | 5 years  |
| Audio-visual equipment | 10 years |
| Warehouse equipment    | 10 years |

#### Pension plan

Employees of CAC are covered by the *Public Service Superannuation Act* and the *Supplementary Retirement Benefits Act*. The Government of Canada's portion of the pension cost is included in the employee fringe benefit charge assessed against the Fund. The actual payment of the pension is made from the Public Service Superannuation and Supplementary Retirement Benefits Accounts.

### 4. Insurance

CAC, in common with the practice of the Optional Services Revolving Fund, does not carry insurance on its property. This is in accordance with the Government's policy of self-insurance.

### 5. Operating lease

CAC leases its premises under an operating lease. Future lease payments are as follows:

|            | \$        |
|------------|-----------|
| 1994 ..... | 3,449,708 |
| 1995 ..... | 3,303,141 |
| 1996 ..... | 2,946,282 |
| 1997 ..... | 1,916,984 |
| 1998 ..... | 5,730     |

### 6. Comparative figures

Prior to April 1, 1992, the operations were part of the Supply Revolving Fund. The 1991-92 operating results were accounted for in the wind-up of the Supply Revolving Fund. The net assets at March 31, 1992 were recorded as a charge to the accumulated net charge against the Fund's authority effective April 1, 1992. The prior year's figures are presented for comparative purposes only.

## CORCAN Revolving Fund

## MANAGEMENT REPORT

We have prepared the accompanying financial statements of the CORCAN Revolving Fund as required by and in accordance with the policy of Treasury Board on revolving funds and the reporting requirements and standards of the Receiver General for Canada. The primary responsibility for the integrity and objectivity of data in these financial statements rests with the management of the Fund.

These financial statements were prepared in accordance with the significant accounting policies set out in Note 2. Some of the information included in these financial statements is based on management's best estimates and judgement and gives due consideration to materiality. To fulfill this reporting responsibility, the Fund maintains a set of accounts which provides a centralized record of the Fund's financial transactions. Financial information contained in the ministerial statements and elsewhere in the Public Accounts is consistent with that in these financial statements, unless indicated otherwise.

The Fund's directorate of financial services develops and disseminates financial management and accounting policies and issues specific directives which maintain standards of accounting and financial management. The Fund maintains systems of financial management and internal control at appropriate cost. Transactions are executed in accordance with prescribed regulations, within parliamentary authorities and are properly recorded to maintain accountability of Government funds and safeguard the Fund's assets. Financial management and internal control systems are augmented by the maintenance of internal audit programs. The Fund also seeks to assure the objectivity and integrity of data in its financial statements by the careful selection, training and development of qualified staff, by organizational arrangements that provide appropriate divisions of responsibility and by communication programs aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

An integrated business system (SYMIX) is being implemented to improve the financial and order entry processing systems. This improvement will provide timely and accurate information.

**CORCAN Revolving Fund—Concluded**NOTES TO THE FINANCIAL STATEMENTS  
MARCH 31, 1993

## 1. Authority and purpose

The CORCAN Revolving Fund was established under *Appropriation Act No. 4, 1991-92* which authorized the establishment of the Fund effective as of April 1, 1992 in the current and subsequent fiscal years in accordance with terms and conditions prescribed by Treasury Board. The Fund has a continuing non-lapsing authority from Parliament to make payments out of the Consolidated Revenue Fund for working capital, capital acquisitions and temporary financing of accumulated operating deficits, the total of which is not to exceed \$45,000,000 at any time. An amount of \$15,217,833, representing net assets assumed by the Fund was charged to this authority when the Fund became operative on April 1, 1992.

## 2. Significant accounting policies

## (a) Capital assets

Capital assets are amortized from the year of acquisition on the straight-line basis over their estimated useful lives as follows:

|                                |          |
|--------------------------------|----------|
| Plant and equipment            | 10 years |
| Office furniture and equipment | 10 years |
| EDP equipment                  | 3 years  |
| Automotive                     | 5 years  |

## (b) Pension plan

Employees of CORCAN, an Agency with Correctional Services Canada financed through the CORCAN Revolving Fund are covered by the *Public Service Superannuation Act* and the *Supplementary Retirement Benefits Act*. The Government of Canada's portion of the pension cost is included in the employee fringe benefit charge assessed against the Fund. The actual payment of the pension is made from the Public Service Superannuation and Supplementary Retirement Benefits Accounts.

## (c) Employee termination benefits

Termination benefits accrue to employees over their years of service with the Government of Canada, as provided for under collective agreements. The cost of these benefits is recorded in the accounts as the benefits accrue to the employees.

## 3. Inventories (based on standard cost)

|                       |                   |

## Defence Production Revolving Fund

## MANAGEMENT REPORT

The accompanying financial statements of the Defence Production Revolving Fund have been prepared by Supply and Services Canada in accordance with Treasury Board policies, the *Defence Production Act*, and reporting requirements and standards of the Receiver General for Canada.

The statements have been prepared on a basis consistent with that of the preceding year and are consistent with information presented elsewhere in the Public Accounts and with ministerial reports. Significant accounting policies used in the preparation of the financial statements are included in the notes to financial statements. Some of the information included in these financial statements is based on management's best estimates and judgements and gives due consideration to materiality.

The primary responsibility for the integrity and objectivity of these statements rests with the Finance and Administration Service. This responsibility is discharged by the Finance Directorate which develops and disseminates financial management and accounting policies and issues specific directives necessary to maintain standards of accounting and financial management. Furthermore, the Department maintains internal controls designed to indicate accountability, provide assurance that assets are safeguarded and that reliable financial records are kept. Financial management and internal control systems are augmented by the maintenance of internal audit programs.

There were no transactions in the Defence Production Revolving Fund during 1991-92 and 1992-93.

(2) A loan of \$24,600,000 was forgiven through the Supplementary Estimates Vote 2c.

NOTES TO THE FINANCIAL STATEMENTS  
MARCH 31, 1993

## 1. Purpose and authority

The Defence Production Revolving Fund has been established by section 15 of the *Defence Production Act*. It was established in 1951 for the purpose of:

- financing the stockpiling of defence supplies or strategic materials;
- making loans or advances to aid in defence procurement such as working capital loans as advance payments on contracts but not including loans or advance payments for capital purposes; and
- permitting initial payments for defence supplies which can be promptly billed to a Government department, agency or an associated government in advance of delivery of goods.

The *Adjustment of Accounts Act* (S.C. 1980, c. 17) had the effect of creating a separate Defence Production Loan Account for loans or advances authorized under the *Defence Production Act*, item (b) above.

The Fund and the Defence Production Loan Account have a continuing non-lapsing authority from the *Adjustment of Accounts Act* to make payments out of the Consolidated Revenue Fund, the total of which is not to exceed at any time by more than \$100 million the aggregate of amounts received on these two accounts.

2. Significant accounting policies

- (a) Payments to suppliers for defence supplies are billed to departments and Crown corporations at cost.

- (b) Progress payments to suppliers

Progress payments and accrued liabilities to suppliers for defence supplies requisitioned by Government departments and agencies and/or stockpiled inventories, which are in progress and located on the supplier's premises, are recorded as progress payments to suppliers. Under the terms of the contracts, the suppliers are liable to the Fund until delivery takes place.

- (c) Progress billings to customers

Billings to customers for defence supplies requisitioned which have not yet been delivered to customers are recorded in the accounts as progress billings to customers.

Note: For the years ended March 31, 1992 and 1993 there were no transactions that applied to (a), (b) and (c).

# Government Telecommunications Agency Revolving Fund

## MANAGEMENT REPORT

The accompanying financial statements of the Government Telecommunications Agency (GTA) Revolving Fund have been prepared as required by and in accordance with the policy and procedures of the Treasury Board for revolving funds and the reporting requirements and standards of the Receiver General for Canada. The primary responsibility for the integrity and objectivity of data in these financial statements rests with the management of the Fund.

These financial statements were prepared in accordance with the significant accounting policies, as set out in Note 2, on a basis consistent with that of the preceding year. Some previous year's figures have been reclassified to conform to the current year's presentation. Some of the information included in these financial statements is based on management's best estimates and judgements and gives due consideration to materiality. Financial information contained in the ministerial statements and elsewhere in the Public Accounts is consistent with that in these financial statements, unless indicated otherwise.

The Director General, Financial Management develops and disseminates financial management and accounting policies and issues specific directives which maintain standards of accounting and financial management. These are supplemented by additional systems and procedures developed and implemented by the Fund's Finance and Administration Division. The Fund maintains systems of financial management and internal control to encourage the use of prudence, probity and value-for-money in the spending of public funds. Transactions are executed in accordance with prescribed regulations, within parliamentary authorities and are properly recorded to maintain accountability of Government funds and safeguard the Fund's assets. Financial management and internal control systems are augmented by the activities of internal audit and by frequent contacts with departmental financial and internal audit officers.

The Fund also seeks to assure the objectivity and integrity of data in its financial statements by the careful selection, training and development of qualified accounting staff, by organizational arrangements that provide appropriate divisions of responsibility and by a high standard of internal communications aimed at ensuring that its regulations, policies, procedures and managerial authorities are understood throughout the Agency.

The Agency maintains and operates a computerized financial information system that was designed to meet the unique requirements of accounting for revolving fund transactions, and the need to provide timely and accurate financial information required by the Department of Supply and Services in its discharge of Receiver General responsibilities relating to the Accounts of Canada.

# Government Telecommunications Agency Revolving Fund—Concluded

## NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 1993

### 1. Purpose and authority

The Government Telecommunications Agency Revolving Fund was originally established in 1963 to plan and provide telecommunications facilities and services for federal departments and agencies. Section 4 of the *Revolving Funds Act* authorizes the Minister to make payments out of the Consolidated Revenue Fund for working capital, capital equipment and temporary financing of operating requirements, the total of which was not to exceed \$8,000,000 at any time. The authority was increased to \$64,000,000 by *Appropriation Act No. 4, 1991-92*. In accordance with Vote 2c, *Appropriation Act No. 4, 1982-83*, an amount of \$1,485,822 of the accumulated deficit caused by the payment to Bell Canada for a terminated contract has been written off to the authority. An amount of \$741,781 representing net assets assumed by the Fund and assets contributed to the Fund was charged against this authority when the Fund became budgetary.

### 2. Significant accounting policies

#### (a) Prepaid expenses

Some payments made to suppliers for activity in the next fiscal year are recorded as prepaid expenses on the balance sheet.

#### (b) Capital assets

Capital assets are carried at cost. In most cases, amortization is calculated using the diminishing balance method at the following rates: automobiles (30 percent), office equipment (20 percent), furniture and fixtures (10 percent). Telecommunications equipment constitutes a special category of assets which are amortized on a straight-line basis, over the first three to seven years of utilization of the equipment.

#### (c) Deferred charges

Deferred charges are linked to acquisitions of telecommunications equipment by GTA and are amortized on a straight-line basis on the same life expectancy as the asset to which they relate. In 1992-93, the amortization of deferred charges amounted to \$24,930.

#### (d) Deferred revenue

Advance payments from client departments and agencies for future telecommunications services are recorded as deferred revenue and are included in revenue on a pro rata basis over a three to seven year period. In 1992-93, \$92,441 of advance payments was recognized as revenue.

#### (e) Employee termination benefits

Termination benefits accrue to employees over their years of service with the Government of Canada as provided for in collective agreements. The cost of these benefits is recorded in the accounts as the benefits accrue to the employees.

## National Film Board

## MANAGEMENT REPORT

We have prepared the accompanying financial statements of the National Film Board Revolving Fund as required by and in accordance with the policy of the Treasury Board on revolving funds and the reporting requirements and standards of the Receiver General for Canada. The primary responsibility for the integrity and objectivity of data in these financial statements rests with the management of the Fund. In order to assure maximum objectivity and freedom from bias, the financial data contained in these financial statements have been examined by the Audit Committee and presented to the Board of Trustees.

These financial statements were prepared in accordance with the stated accounting policies as set out in Note 2, on a basis consistent with that of the preceding year. Some of the information included in these financial statements is based on management's best estimates and judgement and gives due consideration to materiality. To fulfill this reporting responsibility, the Fund maintains a set of accounts which provides a centralized record of the Fund's financial transactions. Financial information contained in the ministerial statements and elsewhere in the Public Accounts is consistent with that in these financial statements, unless indicated otherwise.

The Director of Administration and Financial Services develops and disseminates financial management and accounting policies and issues specific directives which maintain standards of accounting and financial management. Transactions are executed in accordance with prescribed regulations, within parliamentary authorities and are

properly recorded to maintain accountability of Government funds and safeguard the Fund's assets. Financial management and internal control systems are augmented by the maintenance of internal audit programs where contacts are maintained between our internal auditor and staff of the Auditor General's Office. The Fund also seeks to assure the objectivity and integrity of data in its financial statements by the careful selection, training and development of qualified staff, by organizational arrangements that provide appropriate divisions of responsibility and by communication programs aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

These financial statements have been examined by the Auditor General, his role being to express an informed judgement as to whether the financial statements present fairly the financial position of the Board as at March 31, 1993 and the results of its operations and the changes in its financial position for the year ended in conformity with generally accepted accounting principles.

## National Film Board—Continued

## AUDITOR'S REPORT

## TO THE MINISTER OF COMMUNICATIONS

I have audited the balance sheet of the National Film Board as at March 31, 1993 and the statements of operations, accumulated deficit and accumulated net charge against the Revolving Fund's authority for the year then ended. These financial statements are the responsibility of the Board's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these financial statements present fairly, in all material respects, the financial position of the Board as at March 31, 1993 and the results of its operations and the changes in its financial position for the year then ended in accordance with generally accepted accounting principles.

Raymond Dubois, FCA  
Deputy Auditor General

**NOTES TO FINANCIAL STATEMENTS  
MARCH 31, 1993****1. Authority and purposes**

The National Film Board was established in 1950 under the *National Film Act* to initiate and promote the production and distribution of films in the national interest and in particular to:

produce and distribute, and to promote the production and distribution of films designed to interpret Canada to Canadians and to other nations;

represent the Government of Canada in its relations with persons engaged in commercial motion picture film activity in connection with motion picture films for the Government or any department thereof;

engage in research in film activity and to make available the results thereof to persons engaged in the production of films;

advise the Governor in Council in connection with film activities; and

discharge such other duties relating to film activity as the Governor in Council may direct it to undertake.

## National Film Board—Continued

NOTES TO FINANCIAL STATEMENTS  
MARCH 31, 1993—Continued

The Board, through the operation of a revolving fund having a permanent continuing authority from Parliament, can make payments out of the Consolidated Revenue Fund for working capital and the interim financing of operating costs and the acquisition of capital assets and can record the increase in the net book value of capital assets against this authority, which provides that the aggregate of admissible working capital and net book value of capital assets is not to exceed \$20 million at any one time. A parliamentary authority, to replenish the revolving fund for net acquisitions of capital assets and the admissible cost of operations, is voted annually and recorded in the year to which it applies. Any unused balance lapses.

## 2. Significant accounting policies

## Production of films and other forms of visual presentation

All production costs are charged to operations in the year in which they are incurred and shown in the statement of operations as follows:

## Board's program

All costs incurred for unsponsored productions, the Board's share in coproductions and the excess of costs over the sponsor's contribution for partially-sponsored productions.

## Sponsored production

All costs incurred for fully-sponsored productions and the sponsored costs of partially-sponsored productions.

Revenues from production of films and other forms of visual presentation are accounted for at an amount equal to the sponsored production costs during the year in which these costs are incurred. Any profit is recognized in the year the production is completed.

## Film prints

The cost of prints made for sale purposes is recorded as inventories. The cost of other prints is expensed on a current basis.

## Inventories

Productions in progress are carried at the cumulative amount of costs incurred for each production exceeding advances invoiced, up to the amount of the sponsored unbilled balance. On the other hand, any cumulative excess of advances invoiced over costs incurred is recorded as advances on productions.

Materials and supplies are carried at the average cost.

Film prints and other forms of visual presentation held for sale are carried at the lower of the average direct cost of production and net realizable value.

## Capital assets

Capital assets are carried at cost. Amortization is calculated on the straight-line method over the estimated useful lives of the assets, as follows:

|                           |                |
|---------------------------|----------------|
| Technical equipment       | 5 to 20 years  |
| Data processing equipment | 3 to 10 years  |
| Office furniture          | 10 to 20 years |
| Office equipment          | 10 to 15 years |
| Rolling stock             | 5 to 10 years  |

Leasehold improvements are charged to operations as incurred.

The Board enters into operating lease agreements to acquire the exclusive use of certain capital assets. These rental fees are charged to operations in the year to which they apply. The Board also enters into capital lease agreements by which substantially all the benefits and risks incident to ownership of the assets are transferred to the Board. The Board then records an asset and an obligation corresponding to the fair value of the acquisition price of the asset (excluding any interest expenditure). The assets recorded from a capital lease agreement are amortized on the same basis as other assets owned by the Board and the obligations are amortized over the lease term.

## Employee termination benefits

On termination of employment, employees of the Board are entitled to certain benefits provided for under their collective agreements and their conditions of employment. The cost of these benefits is expensed in the year in which they are earned.

## Pension plan

All employees participate in the superannuation plan administered by the Government of Canada. The employees and the Board contribute equally to the cost of the plan. This contribution represents the total liability of the Board. Contributions in respect of current service and admissible past service are expensed during the year in which payments are made. The terms of payment for past service are set by the applicable purchase conditions in effect, generally over the number of years of service remaining prior to retirement.

The Board is not required under present legislation to make contributions with respect to actuarial deficiencies of the Public Service Superannuation Account

## 3. Advances to a coproducer

The Board has advanced amounts to a coproducer to finance temporarily a portion of his production costs and in order to avoid delaying production schedules. These advances are reimbursable according to the degree of advancement of production or distribution. Concurrently, the coproducer has assigned to the Board amounts owed or amounts that could be owed by Telefilm Canada, the Canadian Broadcasting Corporation and private broadcasters.

## 6. Obligation under capital leases

The Board entered into agreements to rent data processing equipment and office equipment under capital leases. The assets were capitalized at \$2,114,629 using implicit interest rates varying from 7 percent to 15 percent. The related obligations are liquidated over the 3-year and 5-year lease terms and are segregated between current and long-term portions on the balance sheet. Minimum lease payments for the year ended March 31, 1993 totalled \$509,990 including interest of \$73,138 charged to operations.

Obligation under capital leases includes the following:

## 10. Related party transactions

The Board is related in terms of common ownership to all Government of Canada created departments, agencies and Crown corporations. The Board enters into transactions with these entities in the normal course of business.

## 11. Contingent liability

The Board is the defendant in pending claims or lawsuits for an amount totalling \$128,000. It is the opinion of Management that these actions will not result in any substantial liabilities to the Board.

## 12. Comparative financial data

Certain amounts pertaining to the year ended March 31, 1992 have been reclassified to conform with the presentation adopted for the current year.

## Optional Services Revolving Fund

### MANAGEMENT REPORT

We have prepared the accompanying financial statements of the Optional Services Revolving Fund as required by and in accordance with that of the preceding year for the Supply Revolving Fund and the reporting requirements and standards of the Receiver General for Canada.

These financial statements were prepared in accordance with the significant accounting policies, set out in Note 2, on a basis consistent with that of the preceding year for the Supply Revolving Fund. Some of the information included in these financial statements is based on management's best estimates and judgements and gives due consideration to materiality. To fulfil this reporting responsibility, the Finance Directorate maintains a set of accounts which provides a centralized record of the Fund's financial transactions. Financial information contained in the ministerial statements and elsewhere in the Public Accounts is consistent with that in these financial statements, unless indicated otherwise.

The primary responsibility for the integrity and objectivity of data in these financial statements rests with Corporate Services. This responsibility is discharged by the Finance Directorate which develops and disseminates financial management and accounting policies and issues specific directives which maintain standards of accounting and financial management.

Furthermore, the Department maintains internal controls designed to indicate accountability, provide assurance that assets are safeguarded and that reliable financial records are kept. Financial management and internal control systems are augmented by the maintenance of internal audit programs.

Previous year's comparative figures have not been presented because they are not readily available and determinable due to the fact that the functions previously performed within the authority of the Supply Revolving Fund have been assumed by the Canada Communication Group, Consulting and Audit Canada, the increased operation of the appropriation and the Optional Services Revolving Fund.

NOTES TO THE FINANCIAL STATEMENTS  
MARCH 31, 1993

## 1. Authority and purpose

The Optional Services Revolving Fund was established under *Appropriation Act No. 4, 1991-92* which authorized the establishment of the Fund effective as of April 1, 1992, and subsequent fiscal years in accordance with terms and conditions prescribed by Treasury Board. The operation of the Fund is for the purpose of section 5(1)(c) of the *Department of Supply and Services Act* in respect of the acquisition and provision of office supplies, services and equipment; and for the recording of the cost of product of traffic management and the buy for Lease Program; and, for the purpose of section 6 of the *Surplus Crown Assets Act* for the distribution and disposal of surplus Crown assets.

The Fund has a continuing non-lapsing authority from Parliament for the Minister to spend, for the purposes of the Fund, any revenues received in respect of those purposes; and the aggregate of expenditures made are not to exceed \$100,000,000 at any time.

An amount of \$21,678,024 representing net assets assumed by the Fund was charged to this authority on April 1, 1992.

## 2. Significant accounting policies

## (a) Capital assets

Leasehold improvements and other capital assets are amortized commencing the year after acquisition on the straight-line basis over their estimated useful lives as follows:

|  |          |
|--|----------|
| Leasehold improvements                     | 10 years |
| Furniture and equipment                    | 10 years |
| Electronic data processing (EDP) equipment | 5 years  |
| Automotive                                 | 5 years  |
| Warehouse equipment                        | 10 years |

## (b) Pension plan

Employees of the Department of Supply and Services working in the organizations financed through the Optional Services Revolving Fund are covered by the *Public Service Superannuation Act* and the *Supplementary Retirement Benefits Act*. The Government of Canada's portion of the pension cost is included in the employee fringe benefit charge assessed against the Fund. The actual payment of the pension is made from the Public Service Superannuation and Supplementary Retirement Benefits Accounts.

## (c) Employee benefits

Termination benefits and vacation pay accrue to employees over their years of service with the Government of Canada, as provided for under collective agreements. The total liability for these benefits and vacation pay for 1992-93 is accrued.

## (d) Inventories

The basis of valuation is lower of cost or net realizable value and obsolete or unusable items are not included. There is no work in process.

## 3. Net investment in leases

The Treasury Board, on March 2, 1976, authorized the Supply Revolving Fund to purchase designated Electronic Data Processing (EDP) equipment approved by Treasury Board for client-departments. On April 1, 1992, the Optional Services Revolving Fund assumed the net investment in EDP leases of \$7,567,474.

The capital, interest and any other related costs are recovered from departments over a one to five year period under direct financing leasing agreements. The net investment in leases is segregated between current and long-term portions on the balance sheet.

## **MANAGEMENT REPORT**

We have prepared the accompanying financial statements of the Passport Office Revolving Fund as required by and in accordance with the policy of the Treasury Board on revolving funds and the reporting requirements and standards of the Receiver General for Canada. The primary responsibility for the integrity and objectivity of data in these financial statements rests with the management of the Fund.

These financial statements have been prepared in accordance with the significant accounting policies, set out in Note 2, on a basis consistent with that of the preceding year. Some of the information included in these financial statements is based on management's best estimates and judgements and gives due consideration to materiality. To fulfill this reporting responsibility, the Fund maintains a set of accounts which provides a centralized record of the Fund's financial transactions. Financial information contained in the ministerial statements and elsewhere in the Public Accounts is consistent with that in these financial statements, unless indicated otherwise.

The Finance and Administration division of the Passport Office Revolving Fund complies with departmental financial management and accounting policies, develops those specific to the Fund's requirements and issues manuals and directives which maintain these policies and which describe procedures. The Fund maintains systems of financial management and internal accounting controls which provide management with reasonable assurance that transactions are recorded and executed in accordance with its authorizations and that its assets are safeguarded.

NOTES TO FINANCIAL STATEMENTS  
MARCH 31, 1993

## 1. Authority and purpose

The Passport Office Revolving Fund was established in 1969 to provide for the issue of appropriate travel documents to Canadian citizens and to certain permanent residents of Canada who are unable to obtain valid passports from their country of origin. The *Revolving Funds Act* authorized the operation of the Fund.

The Fund has a continuing non-lapsing authority from Parliament to make payments out of the Consolidated Revenue Fund for working capital, capital acquisitions and temporary financing of accumulated operating deficits, the total of which is not to exceed \$4,000,000 at any time. An amount of \$745,893 representing net assets assumed by the Fund and assets contributed to the Fund was charged to this authority when the Fund became budgetary in 1981.

## 2. Significant accounting policies

## (a) Inventories

The inventory of materials and supplies is carried at cost and the inventory of passports-in-process is valued at average cost for the year.

**Passport Office Revolving Fund—Concluded**NOTES TO FINANCIAL STATEMENTS

## (c) Employee termination benefits

Termination benefits accrue to employees over their years of service with the Government of Canada, as provided for under collective agreements. The cost of these benefits is recorded in the accounts as the benefits accrue to the employees.

## (d) Revenue from passport fees is prepaid on application and accounted for on an accrual basis. Deferred revenue represents fees received for which the services have not yet been provided.

## Public Works Revolving Fund

## MANAGEMENT REPORT

On June 25, 1993, Prime Minister Kim Campbell announced the creation of Government Services Canada, a new federal department made up of Public Works Canada, Supply and Services Canada, the Government Telecommunications Agency, formerly a part of the Department of Communications, and Translation Services, formerly a part of Secretary of State.

The Department is now charged with the responsibility to foster the cost effective and efficient delivery of common services to Government. The Department will provide central and common services which are mandatory under Government policy, and offer optional common services at competitive market rates.

We have prepared the accompanying financial statements of the Public Works Revolving Fund as required by and in accordance with the policy of the Treasury Board on revolving funds and the reporting requirements and standards of the Receiver General for Canada. The primary responsibility for the integrity and objectivity of data in these financial statements rests with the management of the Fund. Furthermore, certain transactions of the Revolving Fund have been examined by the Auditor General as part of his annual audit of the Public Accounts.

These financial statements were prepared in accordance with the significant accounting policies set out in Note 2, on a basis consistent with that of the preceding year. Some previous year's figures have been reclassified to conform to the current year's presentation. Some of the information included in these financial statements is based on management's best estimates and judgements and gives due consideration to materiality. To fulfil this reporting responsibility, the Fund maintains a set of accounts which provides a centralized record of the Fund's financial transactions. Financial information contained in the ministerial statements and elsewhere in the Public Accounts is consistent with that in these financial statements, unless indicated otherwise.

The Department's Corporate Services Branch develops and disseminates financial management and accounting policies and issues specific directives which maintain standards of accounting and financial management. The Branch maintains systems of financial management and internal control at appropriate cost. Transactions are executed in accordance with prescribed regulations, within parliamentary authorities, and are properly recorded to maintain accountability of Government funds and safeguard the Fund's assets. Financial management and internal control systems are augmented by the maintenance of internal audit programs. Management also seeks to assure the objectivity and integrity of data in its financial statements by the careful selection, training and development of qualified staff, by organizational arrangements that provide appropriate divisions of responsibility and by communication programs aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

The accounting systems and financial statements have evolved over the years to meet changing conditions.

NOTES TO FINANCIAL STATEMENTS  
AS AT MARCH 31, 1993

## 1. Authority and purpose

The Public Works Revolving Fund was established by the *Adjustment of Accounts Act* (Bill C-22 dated July 22, 1980), which was repealed in 1985 and replaced by section 5 of the *Revolving Funds Act*, to allow the Minister of Public Works Canada (PWC) to make expenditures for undertakings by the Department on behalf of other Government departments and agencies, other governments, and private sector tenants of federally owned or leased property. The Fund has a continuing non-lapsing authority from Parliament to make payments out of the Consolidated Revenue Fund for the operating expenses, the necessary working capital, and capital expenditures; the total of which is not to exceed \$450,000,000 at any time.

In accordance with the former section 33 of the *Adjustment of Accounts Act*, and through the 1983-84 Supplementary Estimates (B), the authority of the Fund was amended to include charges on behalf of other PWC's departmental programs and to increase the financial authority from \$55 million to \$150 million. In the 1984-85 Supplementary Estimates (C) the authority was increased from \$150 million to \$300 million. Through the 1987-88 Supplementary Estimates (E) the authority was further increased from \$300 million to \$450 million.

The Services Program operated as a revolving fund on a direct cost recovery basis from April 1, 1985 to March 31, 1988, supplemented by a payment vote to cover non-recoverable operating expenses from clients, as well as a vote to cover

capital acquisitions of the program. Since April 1, 1988, under revised terms and conditions approved by Treasury Board (TB) Minute 805839 dated June 25, 1987, the objective of the Public Works Revolving Fund is to operate as a financially self-supporting entity charging market-based service fees in accordance with the TB approved rate structure for the services provided to clients. Due to the uncertainty of the revenue projections, the Department found it necessary to seek funding in the following amounts to partially cover its operating losses:

|         | \$         |
|---------|------------|
| 1992-93 | 26,848,959 |
| 1991-92 | 25,662,240 |
| 1990-91 | 53,217,391 |
| 1989-90 | 46,518,751 |

## 2. Significant accounting policies

The Public Works Revolving Fund is charged with all expenditures of the Services Program (with the exception of the statutory vote for the Minister of Public Works—Salary and motor car allowance, and the Recovery of PWRP—Operating loss vote), and is credited with the recoveries from all clients for the services rendered. The revenues generated include fees based on market practices, plus recoveries of salaries and other disbursements, where appropriate.

**Public Works Revolving Fund—Continued****NOTES TO FINANCIAL STATEMENTS  
AS AT MARCH 31, 1993—Continued**

The financial statements have been prepared using the following accounting policies:

**Revenue recognition**

Revenue is recognized in the accounting period in which it is earned through the provision of goods or services, or when an event giving rise to a claim has taken place.

**Expense recognition and recording**

All expenses, including termination benefits and vacation pay, are recorded in the fiscal year in which they are incurred.

**Accounts receivable**

Accounts receivable are recorded when invoices are issued as a result of the provision of goods or services and are reported at the billed amounts. It is the Fund's policy to provide for doubtful accounts.

**Consumable stores inventory**

This account includes only the consumable materiel that is bought and held in PWC stores on behalf of operational managers responsible for property management services and other services as agreed to by Materiel Management. The inventory is comprised of stock items which are categorized accordingly under hardware, electrical, lumber, and plumbing supplies. Inventories of consumable materiel are valued at cost on a first-in, first-out basis.

**Work in process**

Work in process includes the value of actual labour hours at standard rates multiplied by a billing factor, fees and disbursements incurred for services performed or goods delivered on client projects or on behalf of other PWC's departmental programs, less any amounts already billed.

**Capital assets**

Certain capital assets previously under the custodianship of the Department of Public Works were assumed by the Fund as of April 1, 1988 and recorded at cost along with the associated accumulated amortization. As a result, these assets are reflected in the accounting records at net book value. Capital assets purchased by the Fund since April 1, 1988 are recorded at cost.

Floating marine and related shore-based assets costing less than \$15,000 are treated as expenses in the year of acquisition.

Capital assets (other than those relating to floating marine and related shore-based facilities) costing less than \$1,000 are expensed in the year of acquisition.

An expenditure which extends the economic life of an asset or increases its capacity will be capitalized.

Proceeds from disposal of capital assets are retained by the Fund, with any loss or gain on disposal disclosed separately in the financial statements.

**Amortization of capital assets**

Capital assets are amortized on a straight-line basis, to their salvage value over their estimated useful economic life, from the month the asset becomes operational on the following basis:

| Floating marine and related shore-based facilities:  | Estimated useful economic life |
|--|--------------------------------|
| Dredges and fixed shore-based facilities   | 35 years                       |
| Scows, tugs and large survey launches  | 30 years                       |
| All other dredging assets  | 15 years                       |
| Other capital assets:  |                                |
| Vehicles and construction equipment  | 3 years                        |
| Tools, machinery, building and office equipment, including EDP equipment, furniture and fixtures | 5 years                        |

**Pension plan**

Employees of the Department whose salaries and other benefits are paid by the Fund are covered by the *Public Service Superannuation Act* and the *Supplementary Retirement Benefits Act*. The Government's portion of the pension cost is included in the employee benefits assessed against the Fund. The liability for the payment of the pensions is against the Public Service Superannuation and Supplementary Retirement Benefit Accounts.

**Accrued salaries and benefits**

This accrued liability represents the amount of unused annual leave based on average salary rates in effect as at the end of the year.

**Employee termination benefits**

Termination benefits accrue to employees over their years of service with the Government of Canada, as provided for in collective agreements, and the cost of these benefits are recorded in the accounts as they are earned by the employees. The amount of the liability has been established, and is revised annually, using rates determined on an actuarial basis, provided by the Treasury Board.

**3. Changes in financial statements presentation**

The 1992 comparative figures on the Income Statement have been restated to reflect the 1993 presentation. "Personnel" costs have been increased by \$1,371,324 for retroactive pay which had been reported under "Other expenses" in 1992. Also, in order to reflect amortization expense recovered from OGD's "Project revenues" and "Amortization" have been reduced by \$851,000 in 1992.

Certain statements have been modified to reflect the expenditures and recovery of \$6,000,000 to fund special initiatives considered essential to achieve PWC's financial target of completely eliminating the operating deficit of the Services Program by 1996-97.

**4. Assumed assets and liabilities**

To assist the Fund in operating as a financially self-supporting entity, certain capital assets originally funded from departmental appropriations and liabilities for employee unused annual leave and termination benefits were assumed by the Public Works Revolving Fund. As of April 1, 1988, an amount of \$16,547,815 representing net liabilities assumed by the Fund was charged to the Fund's accumulated net charge

against the Fund's authority. Current and capital assets were assumed at their estimated net realizable value and estimated net book value respectively, and long-term liabilities were assumed at their adjusted actuarial values.

# Public Service Commission— Staff Development and Training Revolving Fund

## MANAGEMENT REPORT

We have prepared the accompanying financial statements of the Staff Development and Training Revolving Fund as required by and in accordance with the policy of the Treasury Board on revolving funds and the reporting requirements and standards of the Receiver General for Canada. The primary responsibility for the integrity and objectivity of data in these financial statements rests with the management of the Fund.

These financial statements were prepared in accordance with the stated accounting policies, on a basis consistent with that of the preceding year. Some of these policies are further explained in the notes which form part of these statements. Some of the information included in these financial statements is based on management's best estimates and judgements and gives due consideration to materiality. To fulfill this reporting responsibility, the Fund maintains a set of accounts which provides a centralized record of the Fund's financial transactions. Financial information contained in the ministerial statements and elsewhere in the Public Accounts is consistent with the information presented in these financial statements, unless otherwise indicated.

The Financial Services Directorate and the Fund's financial management officers, who report functionally to the senior full-time financial officer, develop and disseminate financial management and accounting policies, and issue specific directives which maintain standards of accounting and financial management. Systems of financial management and internal control are maintained for the Fund at appropriate cost. Transactions are executed in accordance with prescribed regulations, within parliamentary authorities, and are properly recorded to maintain accountability of Government funds and safeguard the Fund's assets. Financial management and internal control systems are augmented by the activities of internal audit and by on-going monitoring activities by the Fund's financial management officers, financial services officers and by the Financial Services Directorate. The Fund also seeks to assure the objectivity and integrity of data in its financial statements by the careful selection, training and development of qualified staff, by organizational arrangements that provide appropriate divisions of responsibility, and by communication programs aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

**NOTES TO FINANCIAL STATEMENTS  
MARCH 31, 1993**

**1. Authority and purpose**

The Staff Development and Training Revolving Fund was established by Vote L120, *Appropriation Act No. 3, 1971*, for the purpose of providing training and development to the Public Service.

The Fund has a continuing non-lapsing authority under the *Adjustment of Accounts Act*, S.C. 1980, c.17, to make payments out of the Consolidated Revenue Fund for working capital and temporary financing of accumulated operating deficits, the total of which is not to exceed \$4,500,000 at any time. In accordance with Vote 115a (1980-81) and Vote 35c (1981-82), accumulated deficits of \$4,573,071 have been deleted from the accounts. An amount of \$1,915,571 representing net liabilities assumed by the Fund was charged to this authority when the Fund became budgetary in 1981. The *Adjustment of Accounts Act* has been repealed and replaced by section 7 of the *Revolving Funds Act*.

**2. Significant accounting policies**

**(a) Employee termination benefits**

Termination benefits accrue to employees over their years of service with the Government of Canada as provided for under collective agreements. The cost of these benefits is recorded in the accounts as the benefits accrue to the employees.

**(b) Capital assets and amortization**

Effective April 1, 1984 the Staff Development and Training Revolving Fund adopted the accounting policy of capitalizing capital asset purchases and charging operations for the use of these assets. These capital assets are amortized on the declining balance method from the year of acquisition at the following rates:

|                                   |            |
|-----------------------------------|------------|
| Office and classroom furniture    | 10 percent |
| Office and classroom equipment    | 15 percent |
| EDP and word processing equipment | 25 percent |

**(c) Prepaid expenses**

The operations of the Fund are charged with expenses coincident with the provision of services. Prepaid expenses include the inventory of photocopies and supplies at March 31, 1993.

**(d) Deferred revenue**

Consists of amounts received from clients for services to be rendered.

**3. Subsidized operations**

Appropriation funds in the amount of \$2,885,000 were paid to the Staff Development and Training Revolving Fund for the 1992-93 fiscal year. These funds were approved to cover the cost of the activities that should not be borne by the user which are not cost recoverable. The comparative figure for 1991-92 is \$2,885,000.

## FINANCIAL STATEMENTS OF DEPARTMENTAL CORPORATIONS

### Atomic Energy Control Board

#### MANAGEMENT REPORT

The management of the Atomic Energy Control Board is responsible for the preparation of all information included in its annual report. The financial statement has been prepared in accordance with the reporting requirements and standards established by the Receiver General for Canada for departmental corporations. The financial statement includes estimates that reflect management's best judgements. Financial information included elsewhere in the annual report is consistent with the financial statement.

Management is also responsible for developing and maintaining a system of internal control designed to provide reasonable assurance that all transactions are accurately recorded and that they comply with the relevant authorities, that the financial statement reports AECB's results of operations and that the assets are safeguarded.

The Auditor General of Canada conducts an independent audit and expresses an opinion on the financial statement.

#### AUDITOR'S REPORT

TO THE ATOMIC ENERGY CONTROL BOARD

AND THE

MINISTER OF ENERGY, MINES AND RESOURCES

I have audited the statement of operations of the Atomic Energy Control Board for the year ended March 31, 1993. This financial statement is the responsibility of the Board's management. My responsibility is to express an opinion on this financial statement based on my audit.

I conducted my audit in accordance with generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, this financial statement presents fairly, in all material respects, the results of operations of the Board for the year ended March 31, 1993, in accordance with the accounting policies set out in Note 2 to the financial statement.

**NOTES TO THE STATEMENT OF OPERATIONS  
MARCH 31, 1993****1. Authority, objective and operations**

The Atomic Energy Control Board (AECB) was established in 1946, by the *Atomic Energy Control Act*. It is a departmental corporation named in Schedule II to the *Financial Administration Act* and currently reports to Parliament through the Minister of Energy, Mines and Resources.

The objective of the AECB is to ensure that nuclear energy in Canada is only used with due regard to health, safety, security and the environment, and to support Canada's participation in international measures to prevent the proliferation of nuclear weapons. The AECB achieves this objective by controlling the development, application and use of nuclear energy in Canada, and by participating on behalf of Canada in international measures of control.

The AECB administers the *Nuclear Liability Act*, including designating nuclear installations and prescribing basic insurance to be carried by the operators of such nuclear installations, and the administration of supplementary insurance coverage premiums for these installations. The sum of the basic insurance and supplementary insurance totals \$75 million for each designated installation (see Note 9). The number of installations requiring insurance coverage is 14.

The AECB's expenditure is funded by a budgetary lapsing authority. Revenue, including licence fees, is deposited to the Consolidated Revenue Fund and is not available for use by the AECB. Employee benefits are authorized by a statutory authority.

On April 1, 1990 the *AECB Cost Recovery Fees Regulations* came into effect. The general intent of these regulations is the recovery of all operating and administration costs of the AECB's regulatory activities relating to the commercial use of nuclear energy from the users of such nuclear energy. Educational institutions, publicly funded non-profit health care institutions and federal Government departments are exempt from these regulations. The AECB costs associated with exempt organizations and costs related to its international safeguards and import/export activities are to remain as a cost to the Government.

Fees for each licence type have been established based on the AECB's cost of carrying out its regulatory activities. These include the technical assessment of licence applications, compliance inspections to ensure that licensees are operating in accordance with the conditions of their licence, and the development of licence standards. The fees for 1992-93 were based on 1988-89 costs. On April 1, 1993 new fees were implemented. These fees are based on 1990-91 costs.

**2. Significant accounting policies**

The statement of operations has been prepared in accordance with the reporting requirements and standards established by the Receiver General for Canada for departmental corporations. The most significant accounting policies are as follows:

**(a) Expenditure recognition**

All expenditure is recorded on the accrual basis, with the exception of employee termination benefits and vacation pay which are recorded on the cash basis.

## Atomic Energy Control Board—Continued

NOTES TO THE STATEMENT OF OPERATIONS  
MARCH 31, 1993—Continued

## (b) Revenue recognition

Licence fees are recorded as revenue over the life of the licence (normally one or two years), except for licence fees regarding an application for a construction approval of a nuclear reactor in which case it is recognized over the period of the work performed by the AECB.

Refunds of previous years' expenditure are recorded as revenue when received and are not deducted from expenditure.

Other revenue is recorded on the cash basis.

## (c) Capital purchases

Acquisitions of capital assets are charged to operating expenditure in the year of purchase.

## (d) Services provided without charge

Estimates of amounts for services provided without charge by Government departments are included in expenditure.

## (e) Contributions to superannuation plan

AECB employees participate in the superannuation plan administered by the Government of Canada and contribute equally with the AECB to the cost of the plan. Contributions by the AECB are charged to expenditure when disbursed.

## 3. Licence fees—Deferred revenue

As of March 31, 1993, the unearned portion of licence fees was \$10,090,531 (1992—\$10,021,946).

## 4. Parliamentary appropriation

## 5. Liabilities

At year end the amounts of liabilities are as follows:

|                                     | 1993      | 1992      |

|                                     | 3,854,257 | 3,331,395 |

The costs represented by the accounts and salaries payable are reflected in the statement of operations.

The costs associated with other liabilities are not included in the statement of operations. These costs are recognized only when paid (see Note 2a).

The vacation pay represents the amount of vacation pay credits outstanding at the end of the year.

The employee termination benefits are calculated for employees having 10 or more years of continuous employment on the basis of one half week pay for every year of continuous service to a maximum of 13 weeks pay.

## 6. Licences provided free of charge

The value of licences provided free of charge to educational institutions and publicly funded non-profit health care institutions for the year ended March 31, 1993, amounted to \$1,726,980 (1992—\$1,773,412). The value of licences provided free of charge to federal Government departments for the year ended March 31, 1993, amounted to \$393,197 (1992—\$376,168).

## 7. Contingent liabilities

At March 31, 1993, the AECB was defendant in lawsuits amounting to \$900,000 (1992—\$900,000). Of this amount, \$600,000 represents lawsuits seeking damages for breach of statutory duties related to radioactively contaminated soil. The remaining \$300,000 represents a lawsuit seeking damages for wrongful dismissal. Legal council is of the opinion that there is little likelihood of the claimants' success. Therefore, no provision has been made in the accounts for these contingent liabilities. Any settlement resulting from the resolution of these actions will be paid from the Consolidated Revenue Fund.

## 8. Related party transactions

AECB administers a special program for research and development in support of the safeguards program of the International Atomic Energy Agency. Atomic Energy of Canada Limited (AECL) is the major contractor for this work by virtue of a contract expiring on March 31, 1994 which calls for annual payments of up to \$2.3 million a year. For 1993, AECL charged \$2,115,000 (1992—\$2,300,000) to this program.

**Atomic Energy Control Board—Concluded****NOTES TO THE STATEMENT OF OPERATIONS  
MARCH 31, 1993—Concluded****9. Nuclear liability reinsurance account**

Under section 17 of the *Nuclear Liability Act*, all premiums paid by the operators of nuclear installations for supplementary insurance coverage are credited to a Nuclear Liability Reinsurance Account. The Account forms part of the Consolidated Revenue Fund. Any claims against the supplementary insurance coverage are payable out of the Consolidated Revenue Fund and charged to the Account. There have been no claims against or payments out of the Account since its creation. The balance of the Account as at March 31, 1993, is \$538,521 (1992—\$537,021).

The supplementary insurance coverage provided by the Government of Canada under the *Nuclear Liability Act*, as of March 31, 1993, is \$590,000,000 (1992—\$664,500,000). Insurance coverage, by the Government of Canada, also includes a class of risks excluded as a liability of the principal insurers.

**10. Comparative figures**

Certain 1992 comparative figures in the statement of operations and supporting schedule have been reclassified to conform with the presentation adopted in the current year.

## Canada Employment and Immigration Commission

## MANAGEMENT REPORT

We have prepared the accompanying financial statements of the Canada Employment and Immigration Commission (CEIC) in accordance with the reporting requirements and standards of the Receiver General for Canada. The primary responsibility for the integrity and objectivity of data in these financial statements rests with the management of CEIC. In order to assure maximum objectivity and freedom from bias, the financial data contained in these financial statements has been examined by the Senior Management of CEIC.

These financial statements were prepared in accordance with the accounting policies set out in Note 2, on a basis consistent with that of the preceding year. Some previous year figures have been reclassified to conform to the current year's presentation. Some of the information included in the financial statements is based on management's best estimates and judgements and gives due consideration to materiality. To fulfill its reporting responsibility, the CEIC maintains a set of accounts which provides a centralized record of the CEIC financial transactions. Financial information contained in the ministerial statements and elsewhere in the Public Accounts is consistent with that in these financial statements, unless indicated otherwise.

Financial services develops and disseminates financial management and accounting policies, and issues specific directives which maintain standards of accounting and financial management. The CEIC maintains systems of financial management and internal control at appropriate cost. Transactions are executed in accordance with prescribed regulations, within parliamentary authorities, and are properly recorded to maintain accountability of Government funds and safeguard CEIC assets. Financial management and internal control systems are augmented by the maintenance of internal audit programs. CEIC also seeks to assure the objectivity and integrity of data in these financial statements by the careful selection, training and development of qualified staff, by organizational arrangements that provide appropriate divisions of responsibility, and by communication programs aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

NOTES TO THE STATEMENT OF OPERATIONS  
MARCH 31, 1993

1. Authority and objectives

The Canada Employment and Immigration Commission was established under section 7 of the *Employment and Immigration Reorganization Act, 1977* and is a departmental corporation named in Schedule II to the *Financial Administration Act*. All the Commission's operating, contributions and grants expenditures are funded by budgetary lapsing authorities whereas employee benefits and annuities agents supplementary retirement benefits are authorized by statutory authorities. The Commission is divided into three program areas and their objectives are as follows:

# Canada Employment and Immigration Commission— Continued

## NOTES TO THE STATEMENT OF OPERATIONS MARCH 31, 1993—Continued

Corporate Management and Services Program—To ensure the development and the implementation of policies and programs, to provide strategic, operational and administrative support to enable Canada Employment and Immigration Commission to carry out its mission, and to provide for such other functions allocated to it.

Employment and Insurance Program—To develop and apply a framework of policies and programs necessary for the efficient functioning of the Canadian labour market, consistent with national, social and economic goals, and in a manner that promotes: a labour force which meets national and occupational requirements; an economy capable of growth and adaptation without undue burden on individuals, groups, and regions; and equality of opportunity to compete for and have access to jobs.

Immigration Program—To contribute to the economic, social, humanitarian and cultural interests of Canada and to meet our international responsibilities through the administration and admission of immigrants and visitors to Canada, the settlement of immigrants in Canada, and the provision of effective control of people seeking to come into or remain in Canada, taking into account the health, safety and security needs of Canada.

Loans to immigrants and other classes of persons for the purpose of paying the costs of admission, transportation and reasonable living expenses are made under a non-budgetary statutory authority advanced by the Minister of Finance pursuant to the *Immigration Act*, section 119. The total amount of loans outstanding shall not, at any time, exceed \$110,000,000.

### 2. Significant accounting policies

The statement of operations has been prepared in accordance with the reporting requirements and standards established by the Receiver General for Canada for departmental corporations. The most significant accounting policies are as follows:

#### (a) Expenditure recognition

Expenditure is recorded for all goods and services received and/or performed up to March 31, in accordance with the Government's Payables at Year-End accounting policy, with the exception of termination benefits and vacation pay.

#### (b) Revenue recognition

Revenue is recorded on a cash basis in accordance with the Government's accounting policies.

#### (c) Capital purchases

Acquisitions of capital assets are charged to operating expenditure in the year of purchase.

#### (d) Estimates of amounts for services provided without charge from other Government departments are included in expenditures.

#### (e) Refunds of previous years' expenditures

Refunds of previous years' expenditures are recorded as revenue when received and are not deducted from expenditure.

## 5. Trust funds and specified purpose accounts

The Canada Employment and Immigration Commission also has the responsibility to administer and control the following trust funds and specified purpose accounts.

## (a) Unemployment Insurance Account

The *Unemployment Insurance Act* provides for a compulsory contributory Unemployment Insurance Program applicable to all employees, with few exceptions.

The Act authorizes an account in the accounts of Canada to be known as the Unemployment Insurance Account.

The Act provides that for the following be credited to the account: (a) premiums, penalties and interest; (b) refunds of overpayments of benefits and, since November 18, 1990, of special assistance payments, and benefit repayments; (c) amounts for services rendered to other Government departments or agencies, or to the public; (d) amounts provided for any other purpose related to unemployment insurance and authorized by an appropriation administered by the Canada Employment and Immigration Commission; and (e) interest on the balance of the account at such rates as the Minister of Finance may authorize. The Act also provides that the following be charged to the account: (a) benefits and, since November 18, 1990, special assistance payments paid under the Act; (b) costs of administering the Act; and (c) interest on advances made by the Minister of Finance.

## (b) Government Annuities Account

This account was established by the *Government Annuities Act*, and modified by the *Government Annuities Improvement Act*, which discontinued sales of annuities. The account is valued on an actuarial basis each year, with the deficit or surplus charged or credited to the Consolidated Revenue Fund.

The purpose of the *Government Annuities Act* was to assist Canadians to provide for their later years, by the purchase of Government annuities. The *Government Annuities Improvement Act* increased the rate of return and flexibility of Government annuity contracts.

Receipts and other credits consist of premiums received, funds reclaimed from the Consolidated Revenue Fund for previously untraceable annuitants, earned interest and items transferred from previous years' revenue to cover the actuarial deficit. Payments and other charges represent matured annuities, the commuted value of death benefits, premium refunds and withdrawals, and actuarial surpluses and unclaimed items transferred to non-tax revenue. The amounts of unclaimed annuities, related to untraceable annuitants are transferred to non-tax revenue.

## MANAGEMENT REPORT

We have prepared the accompanying financial statement of the Canadian Centre for Occupational Health and Safety in accordance with the reporting requirements and standards of the Receiver General for Canada. The primary responsibility for the integrity and objectivity of data in this financial statement rests with the management of the Centre. In order to assure maximum objectivity and freedom from bias, the financial data contained in this financial statement has been examined by the Audit Committee of the Centre.

This financial statement was prepared in accordance with the significant accounting policies set out in Note 2, on a basis consistent with that of the preceding year. Some of the information included in the financial statement is based on management's best estimates and judgement and gives due consideration to materiality. To fulfill this reporting responsibility, the Centre maintains a set of accounts which provides a centralized record of the Centre's financial transactions. Financial information contained in the ministerial statements and elsewhere in the Public Accounts is consistent with this financial statement, unless indicated otherwise.

The Centre's directorate of financial services develops and disseminates financial management and accounting policies, and issues specific directives which maintain standards of accounting and financial management. The Centre maintains systems of financial management and internal control at appropriate cost. Transactions are executed in accordance with prescribed regulations, within parliamentary authorities, and are properly recorded to maintain accountability of Government funds and safeguard the Centre's assets. The Centre also seeks to assure the objectivity and integrity of data in its financial statement by the careful selection, training and development of qualified staff, by organizational arrangements that provide appropriate divisions of responsibility, and by communication programs aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

This financial statement has been audited by the Auditor General, his role being to express an informed opinion as to whether the Centre's financial statement, considered in its entirety, presents fairly, in accordance with stated accounting policies, the Centre's result of operations.

## AUDITOR'S REPORT

TO THE COUNCIL OF THE CANADIAN CENTRE FOR  
OCCUPATIONAL HEALTH AND SAFETY  
AND THE  
MINISTER OF LABOUR

I have audited the statement of operations of the Canadian Centre for Occupational Health and Safety for the year ended March 31, 1993. This financial statement is the responsibility of the Centre's management. My responsibility is to express an opinion on this financial statement based on my audit.

I conducted my audit in accordance with generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, this financial statement presents fairly, in all material respects, the results of operations of the Centre for the year ended March 31, 1993 in accordance with the accounting policies set out in Note 2 to the financial statement.

## NOTES TO THE STATEMENT OF OPERATIONS MARCH 31, 1993

### 1. Authority and purpose

The Centre was established in 1978 under the *Canadian Centre for Occupational Health and Safety Act* and is a departmental corporation named in Schedule II to the *Financial Administration Act*. The objectives of the Centre are to promote the right of Canadians to a healthy and safe working environment and to enhance the physical and mental health of workers. The Centre's operating expenditure is funded in part by its operating revenue and by a budgetary lapsing authority.

Treasury Board has approved the 1993-94 revised Operating Plan of the Centre. According to this plan, the Centre is to increase its revenue at a rate of at least \$400,000 per year with the object of achieving self-sufficiency as soon as possible.

### 2. Significant accounting policies

The statement of operations has been prepared in accordance with the reporting requirements and standards established by the Receiver General for Canada for departmental corporations. The most significant accounting policies are as follows:

#### (a) Expenditure recognition

All expenditure is recorded on the accrual basis with the exception of termination benefits and vacation pay which are recorded on the cash basis.

#### (b) Revenue recognition

Revenue is recorded on the cash basis.

#### (c) Capital purchases

Acquisitions of capital assets are charged to operating expenditure in the year of purchase.

#### (d) Services provided without charge by Government departments

Estimates of amounts of services provided without charge by Government departments are included in expenditure.

#### (e) Pension plan

Employees participate in the Public Service Superannuation Plan administered by the Government of Canada. The employees and the Centre contribute equally to the cost of the Plan. The Centre's contributions are charged to expenditure on a current basis.

### 3. Non-tax revenue credited to the vote

## NOTES TO THE STATEMENT OF OPERATIONS MARCH 31, 1993—Continued

### 4. Joint venture

On March 31, 1991 CCOHS entered into a contract with the Ontario Training Corporation (OTC) for 50 percent undivided interest in a joint venture to develop and market a compact disc training package addressing the hazards of chemicals in the workplace. The OTC share of the cost of this contract amounted to \$540,000 to be paid by installments. Total instalments received from OTC, as at March 31, 1993, amount to \$399,000, including \$14,000 received in the current year.

Revenues are to be shared as follows:

75 percent CCOHS—25 percent OTC for products sold by CCOHS

60 percent CCOHS—40 percent OTC for products sold by OTC

CCOHS sales began in December 1992. The total sales for the year are \$14,000, of which \$3,500 was remitted to OTC.

Product ownership will revert to CCOHS no sooner than three years and when OTC has received revenue totalling one million dollars.

The vacation pay represents the amount of vacation pay credits outstanding at the end of the year.

The employee termination benefits are calculated for all employees on the basis of two weeks' pay for the first complete year of continuous employment and one week pay for each additional complete year of continuous employment.

### 9. Donations and memberships

In accordance with section 6(3) of its Act, the Centre received during the year \$34,000 in donations and memberships, bringing the total to \$75,795 at March 31, 1993. These funds are carried forward in a special account in the Consolidated Revenue Fund which does not lapse.

## Canadian Polar Commission

### MANAGEMENT REPORT

The accompanying financial statement of the Canadian Polar Commission has been prepared in accordance with the reporting requirements and standards of the Receiver General for Canada. The primary responsibility for the integrity and objectivity of data in this financial statement rests with the management of the Commission.

This financial statement was prepared in accordance with the significant accounting policies set out in Note 2 on a basis consistent with that of the preceding period. To fulfil its financial responsibility, the Commission maintains a set of accounts which provides a centralized record of the Commission's financial transactions. Financial information contained in the ministerial statements and elsewhere in the Public Accounts is consistent with this financial statement.

The Commission maintains systems of financial management and internal control at appropriate cost. Transactions are executed in accordance with prescribed regulations, within parliamentary authorities, and are properly recorded to maintain accountability of Government funds and safeguard the Commission's assets. The Commission also seeks to assure the objectivity and integrity of data in its financial statement by the careful selection, training and development of qualified staff, by organizational arrangements that provide appropriate divisions of responsibility, and by communication programs aimed at ensuring that its regulations, policies, standard and managerial authorities are understood throughout the organization.

This financial statement has been audited by the Auditor General of Canada, his role being to express an informed opinion as to whether the Commission's financial statement, considered in its entirety, presents fairly, in conformity with stated accounting policies, the Commission's financial transactions.

### AUDITOR'S REPORT

TO THE BOARD OF DIRECTORS OF THE  
CANADIAN POLAR COMMISSION  
AND THE  
MINISTER OF INDIAN AFFAIRS AND NORTHERN DEVELOPMENT

I have audited the statement of operations of the Canadian Polar Commission for the year ended March 31, 1993. This financial statement is the responsibility of the Commission's management. My responsibility is to express an opinion on this financial statement based on my audit.

I conducted my audit in accordance with generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, this financial statement presents fairly, in all material respects, the results of operations of the Commission for the year ended March 31, 1993 in accordance with the accounting policies set out in Note 2 to the financial statement.

## MANAGEMENT REPORT

We have prepared the accompanying financial statement of the Canadian Transportation Accident Investigation and Safety Board (CTAISB) in accordance with the reporting requirements and standards of the Receiver General for Canada. The primary responsibility for the integrity and objectivity of data in this financial statement rests with management.

This financial statement was prepared in accordance with the accounting policies set out in Note 2. Some of the information included in the financial statement is based on management's best estimates and judgements and gives due consideration to materiality. To fulfill its reporting responsibility, the CTAISB maintains a set of accounts which provides a centralized record of its financial transactions. Financial information contained in the ministerial statements and elsewhere in the Public Accounts is consistent with that in the statement of operations, unless indicated otherwise.

The CTAISB's Corporate Services Branch develops and disseminates financial management and accounting policies, and issues directives which maintain standards of accounting and financial management. The CTAISB maintains systems of financial management and internal control. Transactions are executed in accordance with prescribed regulations, within parliamentary authorities, and are properly recorded to maintain accountability of Government funds and safeguard its assets. The CTAISB also seeks to assure the objectivity and integrity of data in its financial statements by the careful selection, training and development of qualified staff, by organizational arrangements that provide appropriate divisions of responsibility, and by communication programs aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

The statement of operations has been examined by the Auditor General, his role being to express an informed opinion as to whether the statement of operations, considered in its entirety, presents fairly, in conformity with stated accounting policies, the CTAISB's financial transactions.

## NOTES TO THE STATEMENT OF OPERATIONS MARCH 31, 1993

### 1. Authority and purpose

The Canadian Transportation Accident Investigation and Safety Board (CTAISB) was established on March 29, 1990 under the *CTAISB Act* and is a departmental corporation named in Schedule II to the *Financial Administration Act*. The objective of the Board is to advance transportation safety. The primary purpose of the Board's investigations is accident prevention. It seeks to identify safety deficiencies in transportation occurrences and to make recommendations designed to eliminate or reduce any such safety deficiencies. In addition to investigations and public inquiries into specific occurrences, the Board may conduct special studies and special investigations into more general matters pertaining to transportation safety. The Board has the exclusive authority to determine causes and contributing factors when it investigates a transportation occurrence. The Board's operating expenditures are funded by a budgetary lapsing authority.

### 2. Significant accounting policies

The statement of operations has been prepared in accordance with the reporting requirements and standards established by the Receiver General for Canada for departmental corporations. The most significant accounting policies are as follows:

#### (a) Expenditure recognition

All expenditure is recorded on an accrual basis, with the exception of termination benefits and vacation pay which are recorded on a cash basis.

#### (b) Revenue recognition

Revenue is recorded on a cash basis.

#### (c) Refunds of previous years' expenditure

### 5. Transport Canada (flight services and aircraft rental)

In the 1992-93 Multi-Year Operational Plan (MYOP) the authorization to provide flight services as well as the funding (\$1,094,000) were transferred from Transport Canada to CTAISB. In 1992-93, these costs are reflected as professional and special services. Therefore, the 1991-92 figures have been reclassified, professional and special services have been increased by \$988,075 and rentals decreased by this same amount.

### 6. Contingent liability

A claim in the amount of \$4,000,000 has been filed, naming the Canadian Transportation Accident Investigation and Safety Board as one of the defendants; this claim relates to an accident which is being investigated by CTAISB. It is the opinion of management that this claim, with respect to the allegations against the Board, will not result in any material liabilities to the Crown.

### MANAGEMENT REPORT

We have prepared the accompanying financial statement of the Economic Council of Canada in accordance with the reporting requirements and standards of the Receiver General for Canada. The primary responsibility for the integrity and objectivity of data in this financial statement rests with the Special Advisor, Economic Council of Canada.

This financial statement was prepared in accordance with the accounting policies set out in Note 3, on a basis consistent with that of the preceding year. Some of the information included in the financial statement is based on management's best estimates and judgements and gives due consideration to materiality. To fulfil its reporting responsibility, the Council maintains a set of accounts which provides a centralized record of the Council's financial transactions. Financial information contained in the ministerial statements and elsewhere in the Public Accounts is consistent with this financial statement.

The Council's financial services division develops and disseminates financial management and accounting policies, and issues directives which maintain standards of accounting and financial control. The Council maintains systems of financial management and internal control at appropriate cost. Transactions are executed in accordance with prescribed regulations, within parliamentary authorities, and are properly recorded to maintain accountability of Government funds and safeguard the Council's assets. Financial management and internal control systems are augmented by an internal audit function, established in compliance with the Treasury Board/Office of the Comptroller General standards for internal audit in the Government of Canada. The Council also seeks to ensure the objectivity and integrity of data in this financial statement by the careful selection, training and development of qualified staff, by organizational arrangements that provide appropriate divisions of responsibility, and by communications aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

This financial statement has been audited by the Auditor General, his role being to express an informed opinion as to whether the Council's financial statement, considered in its entirety, presents fairly, in conformity with stated accounting policies, the Council's financial transactions.

The accounting system and financial statement of the Council have evolved over the years to meet changing conditions and reporting requirements, both internal and external.

### AUDITOR'S REPORT

TO THE MINISTER DESIGNATE OF INDUSTRY AND SCIENCE

I have audited the statement of operations of the Economic Council of Canada for the period April 1, 1992 to March 30, 1993. This financial statement is the responsibility of the Council's management. My responsibility is to express an opinion on this financial statement based on my audit.

I conducted my audit in accordance with generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, this financial statement presents fairly, in all material respects, the results of operations of the Council for the period April 1, 1992 to March 30, 1993 in accordance with the accounting policies set out in Note 3 to the financial statement.

NOTES TO THE STATEMENT OF OPERATIONS  
MARCH 30, 1993

## 1. Authority and purpose

The Council was established in 1963 by the *Economic Council of Canada Act* and is a departmental corporation named in Schedule II of the *Financial Administration Act*. The Council's operating expenditures are funded by a budgetary lapsing authority. Employee benefits are authorized by statutory authorities.

The objective of the Council is to advise and recommend to the Prime Minister how Canada can achieve the highest possible levels of employment and efficient production in the medium and long-term in order that the country may enjoy a high and consistent rate of economic growth and that all Canadians may share in rising living standards.

## 2. Wind-up of the Council

In its February 25, 1992 Budget, the Government announced its intention to wind-up the Economic Council of Canada. The relevant legislation, an Act to dissolve or terminate certain corporations and other bodies (Bill C-63), was assented on February 4, 1993 and the dissolution of the Council came into force on March 30, 1993 by order of the Governor in Council.

The Act stipulates that the Minister of Industry and Science Canada (ISC) may do all acts necessary to close the affairs of the Council. The Act also provides for all rights, property, obligations and liabilities of the Council to be transferred to Her Majesty. Accordingly, all assets were transferred to ISC on June 30, 1992.

The payment of separation benefits, retiring allowances, cash in lieu of training, relocation and travel as well as severance pay was based on Treasury Board guidelines. Also, professional assistance was provided to employees.

The costs of winding-up are detailed in Note 5.

## 3. Significant accounting policies

The statement of operations has been prepared in accordance with the reporting requirements and standards established by the Receiver General for Canada for departmental corporations. The most significant accounting policies are as follows:

## (a) Expenditure recognition

All expenditure is recorded on the accrual basis, with the exception of termination and vacation pay which are recorded on the cash basis.

## (b) Capital purchases

Acquisitions of furniture and equipment are charged to operating expenditure in the year of purchase.

## (c) Services provided without charge

Estimated amounts for services provided without charge by Government departments and other agencies are included in expenditure.

**Economic Council of Canada—Concluded****NOTES TO THE STATEMENT OF OPERATIONS**MARCH 30, 1993—*Concluded*

## (d) Revenue recognition

Revenue is recorded on the cash basis.

## (e) Refunds of previous years' expenditure

Refunds of previous years' expenditure are recorded as non-tax revenue when received and are not deducted from expenditure. These funds are remitted to the Receiver General for Canada.

**4. Salaries and employee benefits**

Employees were generally laid off during the period April 1 to June 30, 1992. Consequently, there are only three months of salary expenditure in the current period compared to twelve months in the preceding year.

The salaries of the current period include unused vacation and overtime payable at the time of lay off.

**5. Costs of winding-up**

The costs of winding-up are as follows:

|  | Year ended<br>March 30,<br>1993 |
|--|---------------------------------|
|  | \$                              |

**7. Agreement with CIDA**

In June 1990, the Council and the Canadian International Development Agency (CIDA) entered into an agreement under which the Council will, over a six year period, assist the Thailand Development Research Institute in strengthening its abilities in various areas. A budget of \$7.6 million has been established for the project which will be fully funded by CIDA. During 1992-93 fiscal year, approximately \$63,000 (\$1,975,500 in previous years) was recovered from CIDA for the expenditures paid by the Council. These expenditures are not recorded in this statement of operations. Responsibility for the management of this agreement was transferred to Queen's University effective June 1, 1992.

**8. Contingency**

The Council has received a claim from a former employee for damages allegedly suffered on the termination of employment by the Council. Since the outcome of the claim cannot yet be determined, no liability has been recorded in the statement of operations.

## Fisheries Prices Support Board

### MANAGEMENT REPORT

We have prepared the accompanying financial statements of the Fisheries Prices Support Board in accordance with the reporting requirements and standards of the Receiver General for Canada. The primary responsibility for the integrity and objectivity of data in these financial statements rests with the management of the Board.

These financial statements were prepared in accordance with the stated accounting policies set out in Note 2, on a basis consistent with that of the preceding year. Some of the information included in the financial statements is based on management's best estimates and judgements and gives due consideration to materiality. To fulfill this reporting responsibility, the Board maintains a set of accounts which provides a centralized record of the Board's financial transactions. Financial information contained in the ministerial statements and elsewhere in the Public Accounts is consistent with these financial statements, unless indicated otherwise.

The Board's financial service group develops and disseminates financial management and accounting policies, and issues specific directives which maintain standards of accounting and financial management. The Board maintains systems of financial management and internal control at appropriate costs. Transactions are executed in accordance with prescribed regulations, within parliamentary authorities, and are properly recorded to maintain accountability of Government funds and safeguard the Board's assets. Financial management and internal control systems are augmented by the maintenance of internal audit programs. The Board also seeks to assure the objectivity and integrity of data in its financial statements by the careful selection, training and development of qualified staff, by organizational arrangements that provide appropriate divisions of responsibility, and by communication programs aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

These financial statements have not been audited by the Auditor General. The Auditor General has however, audited the financial statement of the Board prepared on an accrual basis of accounting and has expressed the opinion that such financial statement presents fairly, in conformity with stated accounting policies, the Board's financial position as at March 31, 1993.

### NOTES TO THE FINANCIAL STATEMENTS MARCH 31, 1993

#### 1. Authority, objectives and operations

The Board was established in 1944 under the *Fisheries Prices Support Act* and is a departmental corporation named in Schedule II to the *Financial Administration Act*. As authorized by the Governor in Council, the Board is empowered to purchase fishery products for its own account and to make deficiency payments to producers of such products. The *Fisheries Prices Support Act* requires that the Board, in establishing purchase prices and in determining the rate at which deficiency payments are to be made, endeavours to secure a fair relationship between the returns from fisheries and those from other occupations. The Board operates through offices of the Department of Fisheries and Oceans, with departmental staff performing certain functions of the Board.

#### 2. Significant accounting policies

The financial statements have been prepared using the following accounting policies:

##### (a) Expenditure recognition

All expenditure is recorded on the accrual basis, in accordance with the Government's PAYE accounting policy, with the exception of termination benefits and vacation pay which are recorded on the cash basis.

## 4. Canned Mackerel Program

The Canned Mackerel Program was funded in its entirety by way of an advance from the Canadian International Development Agency (CIDA). (CIDA) provided an advance of \$4,198,400 (\$4,500,000 in 1991-92), the Board paid \$4,088,591 (\$4,264,382 in 1991-92) for the acquisition, storage and delivery of the mackerel, and the balance of \$109,809 (\$235,618 in 1991-92) was returned to CIDA.

The Board has an agency relationship with the Canadian International Development Agency (CIDA) for the procurement of canned mackerel. Due to the nature of this relationship, the Board carried out the transactions on CIDA's behalf and for CIDA's use and thus, did not hold lawful possession of the goods. As such, no revenues and expenses are recognized in the statement of operations in relation to this agency arrangement with CIDA.

## 5. Herring Export Program

During 1991-92, in order to promote the export of Atlantic herring, the Board was authorized to implement a Herring Export Program. This program was based on payments of 8 cents a pound (17.6368 cents a kilogram) to processors for herring caught from October 4, 1991 to February 28, 1992, for export to Eastern European countries. A total of \$1,432,470 had been paid to the fishing industry by March 31, 1992.

TO THE CHAIRMAN OF THE FISHERIES PRICES SUPPORT BOARD  
AND THE  
MINISTER OF FISHERIES AND OCEANS

I have audited the statement of operations of the Fisheries Prices Support Board for the year ended March 31, 1993. This financial statement is the responsibility of the Board's management. My responsibility is to express an opinion on this financial statement based on my audit.

I conducted my audit in accordance with generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, this financial statement presents fairly, in all material respects, the results of the operations of the Board for the year ended March 31, 1993 in accordance with the accounting policies set out in Note 2 to the financial statement.

**NOTES TO THE FINANCIAL STATEMENT  
MARCH 31, 1993**

**1. Authority, objectives and operations**

The Board was established in 1944 under the *Fisheries Prices Support Act* and is a departmental corporation named in Schedule II to the *Financial Administration Act*. As authorized by the Governor in Council, the Board is empowered to purchase fishery products for its own account and to make deficiency payments to producers of such products. The *Fisheries Prices Support Act* requires that the Board, in establishing purchase prices and in determining the rate at which deficiency payments are to be made, endeavours to secure a fair relationship between the returns from fisheries and those from other occupations. The Board operates through offices of the Department of Fisheries and Oceans, with departmental staff performing certain functions of the Board.

**2. Significant accounting policies**

The financial statement has been prepared using the following accounting policies:

The Board follows the accrual basis of accounting.

Administrative services provided without charge by the Department of Fisheries and Oceans are included in the cost of operations.

The Board has an agency relationship with the Canadian International Development Agency (CIDA) for the procurement of canned mackerel. Due to the nature of this relationship, the Board carries out the transactions on CIDA's behalf and for CIDA's use and thus, does not hold lawful possession of the goods. As such, no revenues and expenses are recognized in the statement of operations in relation to this agency arrangement with CIDA.

### MANAGEMENT REPORT

We have prepared the accompanying financial statement of the Medical Research Council in accordance with the reporting requirements and standards of the Receiver General for Canada. The primary responsibility for the integrity and objectivity of data in this financial statement rests with the management of the Council.

This financial statement was prepared in accordance with the stated accounting policies set out in Note 2, on a basis consistent with that of the preceding year. Some of the information included in this financial statement is based on management's best estimates and judgements and gives due consideration to materiality. To fulfill this reporting responsibility, the Council maintains a set of accounts which provides a detailed record of the Council's financial transactions. Financial information contained in the ministerial statements and elsewhere in the Public Accounts is consistent with this financial statement, unless indicated otherwise.

The Council's Finance Branch develops and disseminates financial management and accounting policies, and issues specific directives which maintain standards of accounting and financial management. The Council maintains systems of financial management and internal control at appropriate cost. Transactions are executed in accordance with prescribed regulations, within parliamentary authorities, and are properly recorded to maintain accountability of Government funds and safeguard the Council's assets. The Council also seeks to assure the objectivity and integrity of data in this financial statement by the careful selection, training and development of qualified staff, by organizational arrangements that provide appropriate division of responsibility, and by communication programs aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

This financial statement has been audited by the Auditor General, his role being to express an informed opinion as to whether the Council's financial statement, considered in its entirety, presents fairly, in conformity with stated accounting policies, the Council's financial transactions.

NOTES TO THE STATEMENT OF OPERATIONS  
MARCH 31, 1993

## 1. Authority and purpose

The Medical Research Council was established in 1969 by the *Medical Research Council Act* and is a departmental corporation named in Schedule II to the *Financial Administration Act*. The objective of the Council is to help attain the quality and scale of research in the health sciences essential to the maintenance and improvement of health services. The Council's operating and grants expenditures are funded by a budgetary lapsing authority. Employee benefits are authorized by a statutory authority.

## 2. Significant accounting policies

The statement of operations has been prepared in accordance with the reporting requirements and standards established by the Receiver General for Canada for departmental corporations. The most significant accounting policies are as follows:

## (a) Expenditure recognition

Grants and scholarships are charged to expenditure when disbursed. All operating expenditure is recorded on the accrual basis, with the exception of termination benefits and vacation pay which are recorded on the cash basis.

## (b) Capital purchases

Acquisitions of capital assets are charged to operating expenditure in the year of purchase.

## (c) Services provided without charge by Government departments

Estimates of amounts for services provided without charge by Government departments are included in expenditure.

## (d) Refunds of previous years' expenditure

Refunds of previous years' expenditure are recorded as revenue when received and are not deducted from expenditure.

## (e) Contributions to the Public Service Superannuation Plan

Employees participate in the Public Service Superannuation Plan administered by the Government of Canada. The employees and the Council contribute equally to the cost of the Plan. Contributions by the Council are charged to expenditure on a current basis.

**4. Travel**

Expenditure for travel charged to operations is related to the peer review process and was incurred by the members of 23 grant committees, 18 award committees and the staff of the Council to meet, assess and rate grant and award applications. In addition, travel expenditure incurred by the Council, its executive and standing committees and other non-staff advisory personnel is also charged to operations.

Expenditure for travel charged to administration is for the general support of the Council's administrative activities and includes meetings of ad hoc advisory groups established to study specific issues for the Council. Details are as follows:

All members of the Council and the committees listed above serve without remuneration. Only their travel expenses are reimbursed by the Council.

**5. Trust funds**

As provided for in section 4(3) of the *Medical Research Council Act*, the Council administers a number of trust funds separately from the activities funded through parliamentary

appropriations. The purpose and accounting for these funds is described below. The balance of these funds is represented by deposit with the Receiver General for Canada.

- (a) In 1974, the Council received \$75,000 from an anonymous donor to establish a fund. The interest received is used for the payment of grants for research in the fields of dyskinesia and torticollis. Other donations received in prior years not earmarked for specific projects have also been credited to this fund.
- (b) A fund was established to record donations and contributions received from organizations and individuals for biomedical research. When the Council receives such monies, they are placed in trust and disbursed in accordance with agreements between the contributor and the Council.

The transactions relating to these two funds are as follows:

|   | Dyskinesia and Torticollis |         | Donations for Biomedical Research |         |

## National Battlefields Commission

## MANAGEMENT REPORT

We have prepared the accompanying financial statement of the National Battlefields Commission in accordance with the reporting requirements and standards of the Receiver General for Canada. Management is responsible for the integrity and objectivity of the financial information in this report. The role of the commissioners is to ensure that management fulfills its duty regarding financial information and internal control.

This financial statement was prepared according to the accounting policies set out in Note 2 on a basis consistent with that of the preceding period. Some of the information included in the financial statement is based on management's best estimates and judgements and gives due consideration to materiality. To fulfill its reporting responsibility management maintains a system of internal control to assure that the financial information is reliable and the assets are safeguarded. Transactions are executed in accordance with prescribed regulations, within parliamentary authorities, and are properly recorded to maintain accountability of Government funds. Financial information contained in the ministerial statements and elsewhere in the Public Accounts is consistent with that in this financial statement, unless indicated otherwise. The Corporation also seeks to assure the objectivity and integrity of data in its financial statements by the careful selection, training and development of qualified staff, by organizational arrangements that provide appropriate divisions of responsibility, and by communication programs aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

The Auditor General performed an audit on the financial statement for the year ended March 31, 1993 according to generally accepted auditing standards, his role being to express an informed opinion to see if the financial statement presents fairly the results of operations of the National Battlefields Commission for this period.

The opinion of the Auditor General is attached.

## AUDITOR'S REPORT

TO THE MINISTER OF THE ENVIRONMENT

I have audited the statement of operations of the National Battlefields Commission for the year ended March 31, 1993. This financial statement is the responsibility of the Commission's management. My responsibility is to express an opinion on this financial statement based on my audit.

I conducted my audit in accordance with generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, this financial statement presents fairly, in all material respects, the results of the operations of the Commission for the year ended March 31, 1993 in accordance with the accounting policies set out in Note 2 to the statement of operations.

MARCH 31, 1993

## 1. Authority and objectives

The Commission was established in 1908 under an *Act respecting the National Battlefields at Quebec* for the purpose of acquiring, preserving and developing an historic battlefield park at Quebec.

The Commission is a departmental corporation named in Schedule II to the *Financial Administration Act*.

## 2. Significant accounting policies

The statement of operations has been prepared in accordance with the reporting requirements and standards established by the Receiver General for Canada for departmental corporations. The most significant accounting policies are as follows:

- Expenditures are recorded on an accrual basis, except for employee termination benefits and annual leaves which are accounted on a cash basis.
- Acquisitions of capital assets, supplies and small tools are charged to operating expenditures in the year of purchase.
- Expenditures include estimated amounts for services provided without charge by a Government department.
- Revenues are recorded on a cash basis.
- Contributions to the Superannuation plan administered by the Government of Canada, in respect of current and admissible past services, are charged to expenditures when paid. All employees of the Commission participate in this plan. The employees and the Commission contribute equally to the cost of the plan. The contributions represent the total liability of the Commission under the plan.

## 3. Ex-gratia payments

The Treasury Board approved ex-gratia payments, not exceeding in aggregate \$9,600,000, to be made in four equal annual instalments from 1992-93 to 1995-96. These payments relate to the municipal and school taxes for the years 1986 to 1991 for the National Battlefields Park, for which there were no grants in lieu of taxes to the cities of Québec and Sillery. These ex-gratia payments are subject to regulations and procedures applicable to grants made pursuant to the *Municipal Grants Act*. Since 1992, grants in lieu of taxes are paid by the Department of Public Works Canada.

## 4. Capital assets

The cost of capital assets under the responsibility of the Commission is as follows:

**7. National Battlefields Trust Fund**

When the National Battlefields Commission was created, an account was established for the receipt of moneys from individuals, municipal corporations, provincial governments and others for the purpose of acquiring and preserving the great historic battlefields at Quebec. Since September 1984, the Trust Fund is governed by the new subsection 9.1 of the *Act respecting the National Battlefields at Quebec* which authorizes such amounts to be expended for the purpose for which such money was given to the Commission.

**8. Contractual commitments**

The Commission is committed, by virtue of a lease agreement, to provide horticultural, operational and security services in exchange for a space used for its Interpretation Center at the Musée du Québec. The initial value of the lease, subject to annual revision, is \$87,522. The lease is for 15 years, commencing on April 1, 1991.

**9. Contingent liability**

Following a fatal accident which occurred on its land, during the 1991 St-Jean Baptiste Day celebrations, a claim in the amount of \$700,000 was filed against the Commission. In the opinion of management, the likelihood and extent of liability cannot presently be determined.

Any payment by the Commission as a result of this issue will be charged to operations in the year of settlement.

## National Research Council of Canada

## MANAGEMENT REPORT

We have prepared the accompanying financial statement of the National Research Council of Canada in accordance with the reporting requirements and standards of the Receiver General for Canada. The primary responsibility for the integrity and objectivity of data in this financial statement rests with the management of the Corporation.

This financial statement was prepared in accordance with the accounting policies set out in Note 2, on a basis consistent with that of the preceding year. Some of the information included in this financial statement is based on management's best estimates and judgements and gives due consideration to materiality. To fulfil its reporting responsibility, the Corporation maintains a set of accounts which provides a centralized record of the Corporation's financial transactions. Financial information contained in the ministerial statements and elsewhere in the Public Accounts is consistent with that in the financial statement, unless indicated otherwise.

The Corporation's Finance and Information Management Services develops and disseminates financial management and accounting policies, and issues directives which maintain standards of accounting and financial management. The Corporation maintains systems of financial management and internal control. Transactions are executed in accordance with prescribed regulations, within parliamentary authorities, and are properly recorded to maintain accountability of Government funds and to safeguard the Corporation's assets. Financial management and internal control systems are augmented by the maintenance of internal audit programs. The Corporation also seeks to assure the objectivity and integrity of data in its financial statement by the careful selection, training and development of qualified staff, by organizational arrangements that provide appropriate divisions of responsibility, and by communications programs aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

The Corporation's accounting and reporting systems are under constant review and upgrading. The Finance and Information Management Services Branch of the NRC is continuing its collaboration with Supply and Services Canada in the testing and eventual piloting of the Federal Government's new preferred financial system, CDFS. If it proves successful, the Council plans to replace its existing financial system sometime in 1994. The Council also has a new Wage Envelope System now solidly in place to assist managers in the tracking, control and reporting of their salary dollars.

The Corporation is continuing its focus on improving cash management. It has recently implemented new statistical sampling techniques to improve efficiencies in Accounts Payable and is soon to introduce the charging of interest penalties on outstanding accounts receivable.

NOTES TO THE STATEMENT OF OPERATIONS  
MARCH 31, 1993

## 1. Authority and purpose

The National Research Council of Canada was established under the *National Research Council Act* 1966-67 and is a departmental corporation named in Schedule II to the *Financial Administration Act*. The objectives of the Council are to create, acquire and promote the application of scientific and

engineering knowledge to meet Canadian needs for economic, regional and social development and to promote and provide for the use of scientific and technical information by the people and Government of Canada to meet Canadian needs for economic, regional and social development. The Council's operating, capital and grant expenditures are funded through budgetary lapsing appropriations and revenue credited to the vote. Employee benefits are authorized by a statutory authority.

## 2. Significant accounting policies

The statement of operations has been prepared using the following accounting policies:

## (a) Expenditure recognition

All expenditure is recorded on the accrual basis, in accordance with the Government's PAYE accounting policy, with the exception of termination benefits and vacation pay which are recorded on the cash basis.

## (b) Revenue recognition

Revenue is recorded on a cash receipts basis in accordance with the Government's accounting policies.

## (c) Capital purchases

Acquisitions of capital assets are charged to operating expenditure in the year of purchase.

## (d) Estimates of amounts for services provided without charge from Government departments are included in expenditures.

## (e) Refund of previous years' expenditure

Refund of previous years' expenditure are recorded as revenue when received and are not deducted from expenditures.

## 3. Parliamentary appropriations

### MANAGEMENT REPORT

We have prepared the accompanying financial statement of the Natural Sciences and Engineering Research Council in accordance with the reporting requirements and standards of the Receiver General for Canada. The primary responsibility for the integrity and objectivity of data in this financial statement rests with the management of the Council.

This financial statement was prepared in accordance with the significant accounting policies set out in Note 2, on a basis consistent with that of the preceding year. Some of the information included in the financial statement is based on management's best estimates and judgements and gives due consideration to materiality. To fulfill this reporting responsibility, the Council maintains a set of accounts which provides a centralized record of the Council's financial transactions. Financial information contained in the ministerial statements and elsewhere in the Public Accounts is consistent with this financial statement unless indicated otherwise.

The Council's Directorate of Corporate Systems and Services develops and disseminates financial management and accounting policies, and issues specific directives which maintain standards of accounting and financial management. The Council maintains systems of financial management and internal control at appropriate cost. Transactions are executed in accordance with prescribed regulations, within parliamentary authorities, and are properly recorded to maintain accountability of Government funds and safeguard the Council's assets. Financial management and internal control systems are augmented by the maintenance of internal audit programs. The Council also seeks to assure the objectivity and integrity of data in its financial statement by the careful selection, training and development of qualified staff, by organizational arrangements that provide appropriate divisions of responsibility, and by communication programs aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

This financial statement has been examined by the Auditor General, his role being to express an informed opinion as to whether the Council's financial statement, considered in its entirety, presents fairly, in conformity with stated accounting policies, the Council's financial transactions.

The accounting system and financial statement of the Council have evolved over the years to meet the changes in the structure of the grants and scholarships programs and to give improved reporting and control of expenditures relating to those programs.

### AUDITOR'S REPORT

TO THE NATURAL SCIENCES AND  
ENGINEERING RESEARCH COUNCIL  
AND THE  
MINISTER FOR SCIENCE

I have audited the statement of operations of the Natural Sciences and Engineering Research Council for the year ended March 31, 1993. This financial statement is the responsibility of the Council's management. My responsibility is to express an opinion on this financial statement based on my audit.

I conducted my audit in accordance with generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, this financial statement presents fairly, in all material respects, the results of operations of the Council for the year ended March 31, 1993 in accordance with the accounting policies set out in Note 2 to the financial statement.

## NOTES TO THE STATEMENT OF OPERATIONS MARCH 31, 1993

### 1. Authority and objective

The Council was established in 1978 by the *Natural Sciences and Engineering Research Council Act*, and is a departmental corporation named in Schedule II to the *Financial Administration Act*. Its objective is to promote and support both research and the provision of highly qualified personnel in the natural sciences and engineering. The Council's grants and scholarships and operating expenditures are funded by a budgetary lapsing authority. Employee benefits are authorized by a statutory authority.

### 2. Significant accounting policies

The statement of operations has been prepared in accordance with the reporting requirements and standards established by the Receiver General for Canada for departmental corporations. The most significant accounting policies are as follow:

#### (a) Expenditure recognition

Grants, scholarships, termination benefits and vacation pay are recorded on the cash basis. All other expenditure is recorded on the accrual basis.

#### (b) Capital purchases

Acquisitions of capital assets are charged to operating expenditure in the year of purchase.

#### (c) Services provided without charge

Estimates of amounts for services provided without charge by Government departments and agencies are included in expenditure.

#### (d) Refunds of previous years' expenditure

Refunds of previous years' expenditure are recorded as revenue when received and are not deducted from expenditure. These funds are remitted to the Receiver General for Canada.

#### (e) Contributions to the Public Service Superannuation Plan

Employees are covered by the Public Service Superannuation Plan administered by the Government of Canada. Contributions to the Plan are required from both the employee and the Council. Contributions with respect to current service are expensed in the current year. Contributions with respect to past service benefits are expensed when paid, generally over the remaining service lives of the employees.

## Science Council of Canada

### MANAGEMENT REPORT

We have prepared the accompanying financial statement of the Science Council of Canada in accordance with the reporting requirements and standards of the Receiver General for Canada. The primary responsibility for the integrity and objectivity of data in this financial statement rests with the Special Advisor, Science Council of Canada.

This financial statement was prepared in accordance with the accounting policies set out in Note 3, on a basis consistent with that of the preceding year. Some of the information included in the financial statement is based on management's best estimates and judgements and gives due consideration to materiality. To fulfil its reporting responsibility, the Council maintains a set of accounts which provides a centralized record of the Council's financial transactions. Financial information contained in the ministerial statements and elsewhere in the Public Accounts is consistent with this financial statement.

The Council's financial services division develops and disseminates financial management and accounting policies, and issues directives which maintain standards of accounting and financial control. The Council maintains systems of financial management and internal control at appropriate cost. Transactions are executed in accordance with prescribed regulations, within parliamentary authorities, and are properly recorded to maintain accountability of Government funds and safeguard the Council's assets. Financial management and internal control systems are augmented by an internal audit function, established in compliance with the Treasury Board/Office of the Comptroller General standards for internal audit in the Government of Canada. The Council also seeks to ensure the objectivity and integrity of data in this financial statement by the careful selection, training and development of qualified staff, by organizational arrangements that provide appropriate divisions of responsibility, and by communications aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

This financial statement has been audited by the Auditor General, his role being to express an informed opinion as to whether the Council's financial statement, considered in its entirety, presents fairly, in conformity with stated accounting policies, the Council's financial transactions.

The accounting system and financial statement of the Council have evolved over the years to meet changing conditions and reporting requirements, both internal and external.

### AUDITOR'S REPORT

TO THE MINISTER DESIGNATE OF INDUSTRY AND SCIENCE  
AND THE  
MINISTER FOR SCIENCE

I have audited the statement of operations of the Science Council of Canada for the period April 1, 1992 to March 30, 1993. This financial statement is the responsibility of the Council's management. My responsibility is to express an opinion on this financial statement based on my audit.

I conducted my audit in accordance with generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, this financial statement presents fairly, in all material respects, the results of operations of the Council for the period April 1, 1992 to March 30, 1993 in accordance with the accounting policies set out in Note 3 to the financial statement.

NOTES TO THE STATEMENT OF OPERATIONS  
MARCH 30, 1993

## 1. Authority and purpose

The Council was established in 1966 by the *Science Council of Canada Act* and is a departmental corporation named in Schedule II to the *Financial Administration Act*. The Council's operating expenditures are funded by a budgetary lapsing authority. Employee benefits are authorized by a statutory authority.

The objective of the Council is to assess Canada's scientific and technological requirements, to increase public awareness of these requirements and of the interdependence of various groups in society in the development and use of science and technology, and to advise the Government on the best use of science and technology.

## 2. Wind-up of the Council

In its February 25, 1992 Budget, the Government announced its intention to wind-up the Science Council of Canada. The relevant legislation, an Act to dissolve or terminate certain corporations and other bodies (Bill C-63), was assented on February 4, 1993 and the dissolution of the Council came into force on March 30, 1993 by order of the Governor in Council.

The Act stipulates that the Minister for Industry and Science Canada (ISC) may do all acts necessary to close the affairs of the Council. The Act also provides for all rights, property, obligations and liabilities of the Council to be transferred to Her Majesty. Accordingly, all assets were transferred to ISC on June 26, 1992.

The payment of separation benefits, retiring allowances, cash in lieu of training, relocation and travel as well as severance pay was based on Treasury Board guidelines. Also, professional assistance was provided to employees.

The costs of winding-up are detailed in Note 5.

## 3. Significant accounting policies

The statement of operations has been prepared in accordance with the reporting requirements and standards established by the Receiver General for Canada for departmental corporations. The most significant accounting policies are as follows:

## (a) Expenditure recognition

All expenditure is recorded on the accrual basis, with the exception of termination and vacation pay which are recorded on the cash basis.

## (b) Capital purchases

Acquisitions of furniture and equipment are charged to operating expenditure in the year of purchase.

## (c) Services provided without charge

Estimated amounts for services provided without charge by Government departments and other agencies are included in expenditure.

## (d) Revenue recognition

Revenue is recorded on the cash basis.

**Science Council of Canada—Concluded****NOTES TO THE STATEMENT OF OPERATIONS**  
**MARCH 30, 1993—Concluded****(e) Refunds of previous years' expenditure**

Refunds of previous years' expenditure are recorded as non-tax revenue when received and are not deducted from expenditure. These funds are remitted to the Receiver General for Canada.

**4. Salaries and employee benefits**

Employees were generally laid off during the period April 1 to June 26, 1992. Consequently, there are only three months of salary expenditure in the current period compared to twelve months in the preceding year.

The salaries of the current period include unused vacation and overtime payable at the time of lay off.

**5. Costs of winding-up**

The costs of winding-up are as follows:

Most of these disbursements are made by the Council from lapsing funds entrusted to it by Government departments and agencies.

**9. Contingencies**

The Council has received claims aggregating to \$520,000 from former employees and fixed term contract employees for damages allegedly suffered on the termination of their employment by the Council. As a result of the wind-up, any losses will not be charged against the Council's appropriations, rather they will become obligations of Her Majesty. Consequently no expenditure has been recorded in the statement of operations.

### MANAGEMENT REPORT

The financial statements contained in this annual report have been prepared by management of Social Sciences and Humanities Research Council in accordance with the reporting requirements and standards of the Receiver General for Canada and the integrity and objectivity of the data in these financial statements are management's responsibility. Management is also responsible for all other information in the annual report and for ensuring that this information is consistent, where appropriate, with the information and data contained in the financial statements.

In support of its responsibility, management has developed and maintains books of account, records, financial and management controls, information systems and management practices. These are designed to provide reasonable assurance as to the reliability of financial information, that assets are safeguarded and controlled, and that transactions are in accordance with the *Financial Administration Act* and regulations, as well as the *Social Sciences and Humanities Research Council Act*.

The Council is responsible for ensuring that management fulfills its responsibilities for financial reporting and internal control. The Council exercises its responsibilities through the Audit Committee whose members are not officers of the Council. The Committee meets with management and the independent external auditor to review the manner in which these groups are performing their responsibilities and to discuss auditing, internal controls and other relevant financial matters. The Audit Committee has reviewed the financial statements with the external auditor and has submitted its report to the Council. The Council has reviewed and approved the financial statements.

The Council's external auditor, the Auditor General of Canada, examines the financial statements and reports to the Council and the Minister responsible for the Council.

### AUDITOR'S REPORT

TO THE SOCIAL SCIENCES AND HUMANITIES RESEARCH COUNCIL  
AND THE  
MINISTER OF COMMUNICATIONS

I have audited the statement of operations of the Social Sciences and Humanities Research Council for the year ended March 31, 1993. This financial statement is the responsibility of the Council's management. My responsibility is to express an opinion on this financial statement based on my audit.

I conducted my audit in accordance with generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, this financial statement presents fairly, in all material respects, the results of operations of the Council for the year ended March 31, 1993 in accordance with the accounting policies set out in Note 3 to the financial statement.

## NOTES TO THE STATEMENT OF OPERATIONS MARCH 31, 1993

### 1. Authority and objective

The Council (SSHRC) was established in 1977 by the *Social Sciences and Humanities Research Council Act* and is a departmental corporation named in Schedule II to the *Financial Administration Act*. The objective of the Council is to promote and assist research and scholarship in the social sciences and humanities.

The operating and grants expenditures are funded by budgetary lapsing authorities. Employee benefit plans contributions are authorized by a statutory authority.

### 2. Significant subsequent event

In the Budget speech on February 25, 1992, the Government announced the merging of the Canada Council, the Social Sciences and Humanities Research Council and the international cultural and international academic relations programs of External Affairs and International Trade Canada. On June 10, 1993, the legislation (Bill C-93) amending the *Canada Council Act* was defeated in the Senate.

### 3. Accounting policies

The statement of operations has been prepared in accordance with the reporting requirements and standards established by the Receiver General for Canada for departmental corporations. The most significant accounting policies are as follows:

#### (a) Expenditure recognition

Grants are charged to expenditure when disbursed. Operating expenditure is recorded on an accrual basis, except for employee termination benefits and vacation pay which are recorded on the cash basis.

#### (b) Capital purchases

Acquisition of office furniture and equipment is recorded as operating expenditure in the year of purchase.

#### (c) Services provided without charge by other departments

Estimates of amounts for services provided without charge by Government departments are included in operating expenditure.

#### (d) Refunds of previous years' expenditure

Refunds of previous years' expenditure are recorded as revenue and are not deducted from expenditure.

#### (e) Pension plan

Employees participate in the Public Service Superannuation Plan administered by the Government of Canada. The employees and the Council contribute equally to the cost of the Plan. Council's contributions are charged to expenditure on a current basis.

The Council is not required under present legislation to make contributions with respect to actuarial deficiencies of the Public Service Superannuation Account.

## FINANCIAL STATEMENTS OF OTHER ENTITIES

### Agricultural Products Board

#### MANAGEMENT'S RESPONSIBILITY FOR THE FINANCIAL STATEMENTS

The accompanying financial statements of the Agricultural Products Board, for the year ended March 31, 1993, and all the information in this annual report are the responsibility of management and have been approved by the APB. We have prepared the accompanying financial statements in accordance with generally accepted accounting principles. Financial information presented elsewhere in the annual report is consistent with that contained in the financial statements.

The APB maintains systems of financial management and internal control. Transactions are recorded in accordance with prescribed regulations, within parliamentary authorities, and are properly recorded to maintain accountability for Government funds.

The Auditor General of Canada has been requested to carry out an audit of the financial statements. The financial statements for the year ended March 31, 1993 and the Auditor's Report thereon follow.

#### AUDITOR'S REPORT

##### TO THE MINISTER OF AGRICULTURE

I have audited the balance sheet of the Agricultural Products Board as at March 31, 1993 and the statements of operations and equity for the year then ended. These financial statements are the responsibility of the Board's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these financial statements present fairly, in all material respects, the financial position of the Board as at March 31, 1993 and the results of its operations and the changes in its financial position for the year then ended in accordance with generally accepted accounting principles.

Further, in my opinion, the transactions of the Board that have come to my notice during my audit of the financial statements have, in all significant respects, been in accordance with the Appropriation Acts for the year ended March 31, 1993, the *Financial Administration Act* and regulations and the *Agricultural Products Board Act*.

**Agricultural Products Board—Continued**NOTES TO FINANCIAL STATEMENTS  
MARCH 31, 1993

## 1. Authority, objectives and operations

The Agricultural Products Board (the Board), which was established in 1951, operates under the authority of the *Agricultural Products Board Act* and comprises four members appointed by the Governor in Council.

The objective of the Board is to stabilize the prices of agricultural commodities through the purchase and sale or delivery of surplus commodities in times of depressed markets.

During the year, the Board completed a program for the purchase and sale of 1991 Canadian ranch-raised mink pelts.

In the Budget speech of February 25, 1992 the Government of Canada announced its intention to wind up the Board. The amalgamation of the functions of the Board into new legislation was presented to Parliament under Bill C-93. On June 10, 1993, Bill C-93 was defeated in the Senate.

## 2. Accounting policies

The Board follows the accrual basis of accounting.

Inventories are valued at the lower of cost and estimated net realizable value.

## 3. Cash held by agent

The Board has entered into an agreement with the Ontario Grape Growers' Marketing Board (OGGMB) requiring that the OGGMB provide, through a public accounting firm, accounting services to the Board and trust accounts in a chartered bank for the receipt and disbursement of funds received from the Board, funds received from the Province of Ontario and funds from the sale of surplus products in respect of the 1987 and 1988 Surplus Ontario Grape Programs. The Board's share of receipts from the sale of surplus products are transferred to the Consolidated Revenue Fund. Of the total cash held by agent, cash held in trust for the Province of Ontario at March 31, 1993 was NIL (1992—\$83 thousand).

## 4. Notes receivable

The Board has established an allowance for doubtful accounts of \$3,722 thousand against the notes receivable for the 1988 Maple Syrup Program based on management's assessment of its collectibility. The Board is currently in the process of seeking approval to delete the debt.

## 5. Inventories

|            | 1993                      |                      | 1992  |                      |

## 6. Contingency

Claims have been made against the Board totalling \$4,090 thousand arising from the 1988 Surplus Ontario Grape Program. The final outcome of these claims is not determinable and accordingly these items are not reflected in the accounts. However, in the opinion of management, the position of the Board is defensible. Settlements, if any, resulting from the resolution of these claims will be accounted for in the year in which the settlements occur.

## 7. Sales and cost of sales

**MANAGEMENT REPORT**

We have prepared the accompanying financial statements of the Board in accordance with generally accepted accounting principles. Some of the information included in the financial statements is based on management's best estimates and judgements and gives due consideration to materiality. To fulfill this reporting responsibility, the Board maintains a set of accounts which provides a centralized record of the Board's financial transactions. The primary responsibility for the integrity and objectivity of data in these financial statements rests with the management of the Board.

The Medical Research Council provides secretarial and other administrative and technical services to the Board, including maintaining systems of financial management and internal control. Transactions are executed in accordance with the *Queen Elizabeth II Canadian Research Fund Act* and are properly recorded to maintain accountability of funds and to safeguard the Board's assets.

These financial statements have been audited by the Auditor General, his role being to express an informed opinion as to whether the Board's financial statements, considered in their entirety, present fairly, in conformance with generally accepted accounting principles, the Board's financial transactions.

**AUDITOR'S REPORT**

TO THE BOARD OF TRUSTEES  
AND THE  
MINISTER OF NATIONAL HEALTH AND WELFARE

I have audited the balance sheet of the Board of Trustees of the Queen Elizabeth II Canadian Fund to Aid in Research on the Diseases of Children as at March 31, 1993 and the statements of operations and balance of fund and changes in financial position for the year then ended. These financial statements are the responsibility of the Board's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these financial statements present fairly, in all material respects, the financial position of the Board as at March 31, 1993 and the results of its operations and the changes in its financial position for the year then ended in accordance with generally accepted accounting principles.

NOTES TO THE FINANCIAL STATEMENTS  
MARCH 31, 1993

## 1. Authority and purpose

The Queen Elizabeth II Canadian Fund to Aid in Research on the Diseases of Children was established by the *Queen Elizabeth II Canadian Research Fund Act* in 1959 to assist individuals or organizations to undertake or carry on research into the diseases of children, and the causes, prevention and treatment of such diseases. The Act provided for an initial one million dollar appropriation from the Consolidated Revenue Fund and established the Board of Trustees, consisting of a Chairman and six other trustees appointed by Her Majesty by commission under the Great Seal. The Board manages and administers the Fund in accordance with and subject to the Act.

## 2. Accounting policies

## (a) Revenue from, and investment in, Government of Canada securities

The investment in Government of Canada securities is recorded at cost. Any premium or discount on acquisition is amortized over the life of the security until maturity. Interest income is recorded on the accrual basis.

## (b) Expenses

Expenses are recorded on the accrual basis.

## (c) Services provided without charge

The Medical Research Council provides the Board, without charge, with such secretarial and other administrative and technical services and facilities as are required for the purposes of the Act.

Under the terms of the Act, the Board may invest any moneys of the Fund in bonds or other securities of the Government of Canada and may sell any such bonds and securities. The securities held at March 31, 1993 bear interest at annual rates ranging from 9.51 percent to 11.14 percent (1992—6.52 percent to 11.14 percent). Since interest on Government of Canada residuals is paid only at maturity, the market price of these residuals takes into account accrued interest, current prevailing interest rates and the term to maturity.

4. Future commitment of Funds for the Queen Elizabeth II Canadian Research Fund/MRC Scientist Awards

At a meeting of the Board of Trustees on March 27, 1990 it was agreed that a new joint Queen Elizabeth II Canadian Research Fund/Medical Research Council Scientist Award Program be established. The Medical Research Council subsequently approved the joint program in June 1990. It was agreed that the program would be in effect for five years with the Queen Elizabeth II Canadian Research Fund providing full funding for the first year and funding for subsequent years

shared equally with the Medical Research Council. Each award amounts to \$205,000 and is funded over a three year period. The Medical Research Council has agreed to assume full responsibility for the award if there are insufficient funds remaining in the Queen Elizabeth II Canadian Research Fund. The remaining payments on Awards outstanding as at March 31, 1993 are as follows:

| Year of payment | Queen Elizabeth II | Medical Research Council |

The Board has not yet decided on approval of any awards for 1993-94.

## Canadian Grain Commission

### MANAGEMENT REPORT

The financial statement of the Canadian Grain Commission is the responsibility of management. The statement has been prepared in accordance with the significant accounting policies set out in Note 2 to the financial statement.

In discharging its responsibility for financial reporting, management maintains a set of accounts which provides a centralized record of the Commission's financial transactions. Financial information contained in the departmental accounts is consistent with this financial statement and other information in the Public Accounts.

The Department of Agriculture's directorate of financial services develops and disseminates financial management and accounting policies, and issues specific directives which maintain standards of accounting and financial management. Management ensures that systems of financial management and internal control are maintained at appropriate cost. Transactions are executed in accordance with prescribed regulations, within parliamentary authorities, and are properly recorded to maintain accountability of Government funds and safeguard the Commission's assets. The Commission also seeks to assure the objectivity and integrity of data in its financial statement by the careful selection, training and development of qualified staff, by organizational arrangements that provide appropriate divisions of responsibility, and by communications programs aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

This financial statement has been audited by the Auditor General of Canada, his role being to express an opinion as to whether the financial statement presents fairly, in all material respects, the results of operations of the Commission in accordance with the accounting policies set out in Note 2 to the financial statement.

### AUDITOR'S REPORT

TO THE CHIEF COMMISSIONER AND COMMISSIONERS  
CANADIAN GRAIN COMMISSION

I have audited the statement of operations of the Canadian Grain Commission for the year ended March 31, 1993. This financial statement is the responsibility of the Commission's management. My responsibility is to express an opinion on this financial statement based on my audit.

I conducted my audit in accordance with generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, this financial statement presents fairly, in all material respects, the results of operations of the Commission for the year ended March 31, 1993 in accordance with the accounting policies set out in Note 2 to the financial statement.

NOTES TO STATEMENT OF OPERATIONS  
MARCH 31, 1993

## 1. Authority and objectives

The Canadian Grain Commission was established under the *Canada Grain Act* in 1912 (amended 1988). The primary objective of the Commission is to establish and maintain standards of quality for Canadian grain and regulate grain handling in Canada, to ensure a dependable commodity for domestic and export markets. As a secondary objective, the Commission attempts to recover 50 percent of the cost of the Grain Research Laboratory and 100 percent of all other costs, averaged over a five-year period. Cost recovery performance is constrained by volumes of grain handled and Treasury Board approval of service fees. The Commission operates under lapsing authority; however, there are some personnel costs covered by statutory authorities.

During the current fiscal year, Treasury Board approved a Charter document and business plan which allowed the Canadian Grain Commission to become a Special Operating Agency within Agriculture Canada. A Special Operating Agency is a service unit within a department that is given more direct responsibility for results and increased management flexibility where this is considered necessary.

The Commission exercises certain responsibilities under the following Acts and associated regulations in addition to the *Canada Grain Act*:

*Financial Administration Act*  
*Grain Futures Act*  
*Weights and Measures Act*  
*Western Grain Transportation Act*  
*Inland Water Freight Rates Act*

## 2. Significant accounting policies

The statement of operations has been prepared using the following accounting policies:

## (a) Expenditure recognition

All expenditures are recorded on the accrual basis, with the exception of termination benefits, vacation pay and compensatory leave which are recorded on a cash basis.

## (b) Revenue recognition

Revenue is recorded using the accrual basis of accounting.

## (c) Capital purchases

Acquisitions of capital assets are charged to operating expenditures in the year of purchase.

## (d) Amounts representing services provided without charge from Government departments are included in expenditures.

## (e) The adjustment of prior years' expenditures are recorded as revenue.

## (f) Pension plan

Employees are covered by the Public Service Superannuation Plan administered by the Government of Canada. The employees and the employer contribute equally to the cost of the plan. Contributions are charged to operations on a current year basis and represent the total pension obligations of the Commission.

**4. Ex gratia and liability settlements**

In accordance with Agriculture Canada delegation and Treasury Board Directives, the Canadian Grain Commission has authorized ex gratia, liability and other settlements. These settlements relate primarily to compensation paid to grain producers for losses incurred in the bankruptcies of grain dealers and elevator operators. An ex gratia payment is a payment made in the public interest for loss or expenditure incurred for which there is no legal liability on the part of the Crown.

**5. Non-tax revenue**

At year end, non-tax revenue includes accounts receivable of \$3,327,048 (1991-92—\$4,100,095).

**6. Lease commitments**

Lease commitments under operating leases with terms of more than one year total \$6,891,000. The future aggregate minimum lease payments by fiscal year are as follows:

|                   | \$        |
|-------------------|-----------|
| 1994 .....        | 3,215,650 |

| 1997 .....        | 365,362   |
| 1998 and on ..... | 3,959     |

**7. Contingent liabilities**

Pursuant to the *Canada Grain Act*, the Commission licenses grain dealers and elevator operators. Prior to licensing, the Commission must satisfy itself that applicants have provided adequate security to satisfy their obligation to holders of documents for the delivery of grain or the payment of money. As at March 31, 1993 there were several claims and potential claims for damages relating to the security and licensing provisions of the *Canada Grain Act*, where the security held by the Commission was insufficient to cover all outstanding eligible obligations. The likelihood and final settlement amount of these security and licensing claims cannot be determined at the present time.

Discoveries have been completed with respect to an action originating in 1985, for negligence initiated by the Ontario Wheat Producers Marketing Board, which names various government agencies, including the Canadian Grain Commission. Damages are claimed for storage and transportation costs. The contingent loss, if any, cannot be reasonably estimated at the present time. The parties have applied for a trial date, which is expected to be scheduled for September-October, 1993.

The total of the above outstanding claims and potential claims against the Commission is estimated to be approximately \$12,320,000. Settlement, if any, that may be made with respect to any of these actions, will be charged to operations or a statutory account in the year in which the legal decision is rendered.

**Debts, obligations and claims written-off or forgiven**

There are three categories of approval/authority for the write-off or forgiveness of debts, obligations and claims:

- (i) Ministerial approval represents authority given to Ministers under the *Financial Administration Act* (FAA) or other Acts of Parliament as described in (i)(a) and (b)—
- (a) Section 25(1) of the FAA gives Ministers, through Treasury Board regulations, general authority to approve the write-offs, from the memorandum departmental accounts receivable, of any debt other than overpayment of salaries, wages, and employment-related allowances, obligation or claim that does not exceed \$25,000.
- (b) Other Acts of Parliament (eg. *Bankruptcy Act*) give Ministers general authority to approve the write-off or forgiveness of specific debts, obligations or claims.
- (ii) Treasury Board approval— Section 25(1) of the FAA allows a Minister, with specific Treasury Board approval, to write-off, from memorandum departmental accounts receivable, any debt, obligation or claim that exceeds \$25,000. Certain debts, obligations or claims less than \$25,000, (e.g. overpayment of salaries, wages and employment-related allowances) may require Treasury Board approval to be written-off.
- (iii) Parliamentary authority—
- (a) Section 24.1 of the FAA requires that where a debt or obligation included in the Statement of Assets and Liabilities of Canada or due by a Crown corporation is to be forgiven, and which would result in a charge to an appropriation, the amount to be forgiven must be authorized pursuant to an Act of Parliament, including an Appropriation Act.
- (b) Section 25(2) of the FAA requires that where a debt, obligation or claim included in the Statement of Assets and Liabilities of Canada is to be written off, the write-off must be authorized by Parliament as a budgetary item in an Appropriation Act or some other Act.
- (c) Section 25(4) of the FAA specifies that any debt, obligation or claim of a Crown corporation due to the Government may be forgiven by being included in a budgetary vote of an Appropriation Act.

\* Social services advance issued to individuals by band.

NOTE: Whenever more than one (1) advance was made to an individual, the total number of these advances is reported in brackets adjacent to the name of the individual.

(1) National Defence reports on the use being made of the authority granted for the imprest accounts, standing advances and authorized loans in Section 6 (Table 6.15) of Volume I. Details of each outstanding advance are still tracked manually and no system currently exists to aggregate them for reporting purposes in the Public Accounts, as several thousand advances are normally outstanding to persons serving in many parts of the world at any one time, including at year-end. Although the proposed automated cashier system will not be fully implemented in time to produce the information required, it is anticipated that other measures will be able to be used in the interim to supply necessary information.

## Statement of accounts receivable for tax revenue

In accordance with its accounting policies, the Government reports tax revenue in the year in which it is received. Amounts representing billed and uncollected, or unbilled and accrued financial claims arising from amounts owed to a Government body for self-assessed taxes are not recorded as accounts receivable in the accounts of Canada, nor are they reported as assets on the Statement of Assets and Liabilities. These amounts therefore, are controlled through memorandum accounts maintained by Government bodies and are presented in this statement.

In the following table, the column outside parties represents tax revenue receivable from outside the Government. Tax revenue receivable does not include amounts for assessed taxes, which are being formally disputed by taxpayers. Allowance for doubtful accounts represents the total tax revenue receivable scheduled for write-off or forgiveness plus an allowance for doubtful accounts based on the best estimate of all or any amounts which may not be collected. Internal to the Government are amounts of tax revenue receivable from Government bodies. A Government body is an organization which is part of the Government of Canada as an accounting entity.

Items shown as Internal to the Government do not represent cash to be received. They are memorandum amounts and are not included in the total net accounts receivable.

Accounts receivable written-off or forgiven are included in Section 3 of this volume (Statement of debts, obligations and claims written-off or forgiven).

Accounts receivable for non tax revenue are recorded in the accounts of Canada and reported as an asset in the Statement of Assets and Liabilities. Details of the balances and transactions for these accounts receivable are included in Section 11 of Volume I.

\*Comparative figures for the previous year have been restated to reflect the removal of assessed taxes, which are being formally disputed by taxpayers.

<sup>(1)</sup> Included in the statement is corporate Part VII tax of \$4,961 which is refundable when investment tax credits or share-purchase tax credits are earned by the corporations.

<sup>(2)</sup> Scientific Research Tax Credit (SRTC) information:

The amounts under SRTC represent "returns assessed" (\$272,967) and are assessments of Part VIII tax returns relating to scientific research projects expenditures that have not been accepted as tax credits under SRTC legislation. Excluded from accounts receivable are "designations assessed" (\$49,346), which comprise tax credits that can either be applied to tax payable or if no scientific research has been completed will become accounts receivable. This can only be determined through the audit process which is underway.

<sup>(3)</sup> The amount represents unemployment deductions at source, as reported by Revenue Canada-Taxation.

## Transfer payments

The following statement presents the total amount spent in the current fiscal year by ministry. A transfer payment is a grant, contribution or other payment made by the Government for which no goods or services are received. A summary of total current year's expenditure (standard object 10) by department and agency under each ministry is presented in Section 1 (Table 3) of Volume II (Part I).

**Ex gratia payments**

This statement provides, by ministry and program, details for all ex gratia payments of \$100 or over. Payments of less than \$100 are reported as one amount at the end of each program, together with the total number of such payments. For the purposes of this statement, an ex gratia payment is a discretionary payment, made as an act of benevolence in the public interest, free of any legal obligation, whether or not any value or service has been received.

## Federal-Provincial Shared-Cost Programs

This statement presents, by province and territory, and for each federal-provincial shared-cost program, the current year and previous year expenditures and the expenditures from inception of the program. Programs are reported year after year until completion, and this even if there is no expenditure in a given year. An (f) adjacent to the total expenditures from inception indicates the programs completed in the current year. In this statement, amounts in roman type represent current year expenditures, amounts in **bold face** type represent previous year expenditures and amounts in *italic* type represent expenditures from inception.

The Labour Adjustment Review Board was established under the *Labour Adjustment Benefits Act*. Its mandate is to determine whether individuals are eligible to apply to Employment and Immigration Canada for benefits under the Act. The termination date for industries designated nationally under the Act was August 17, 1986 and for industries designated regionally (in seven communities only) the termination date was February 12, 1987. Although the program is now ended, the Board still meets to deal with those cases of layoffs that still fall within the program dates and no actual termination date has been approved.

# Financial assistance given to railways by the Government of Canada in 1992-93 (with cumulative figures to March 31, 1993)

The 1952 *Canadian National Railways Capital Revision Act* stated that "The Minister shall include annually in the Public Accounts a summary statement of all assistance, including land grants, guarantees and capital subsidies but not including grants made pursuant to statutes for the relief of unemployment, that has at any time been given by the Government of Canada to each of (a) the National System (Canadian National Railway System), including its predecessor companies; (b) the Pacific Railways (Canadian Pacific Limited) as defined in the 1952 Canadian National-Canadian Pacific Act, including its predecessor companies; and (c) any other railway".

The following statement presents the budgetary and non-budgetary financial assistance showing annual and cumulative payments. Cumulative budgetary assistance

includes miscellaneous program expenditures in which the corporations have benefited. Only individual payments of \$50,000 or over are reported in this statement.

Railways have been interpreted to include the following for purposes of this statement: (i) for Canadian National Railways—all companies owned, operated or managed by Canadian National, (ii) for Canadian Pacific Limited—only companies engaged in transportation, communications and hotel activities.

Non-budgetary assistance represents the net increase or decrease to loans, investments and advances.

Budgetary assistance represents a charge to budgetary appropriations which affect the annual deficit or surplus of the Government.

(1) The amounts reported in this column represent interest unless otherwise indicated.

(2) The amounts reported in this column represent the closing balances of asset accounts as at March 31, 1993. They generally do not represent amounts of principal on which interest is calculated and/or dividends paid.

(3) This surplus is reported by the Department of Finance in Section 10 of Volume II (Part I).

(4) The Provincial Tax Collection Agreements Account is a specified purpose account usually reported as a liability on the Statement of Assets and Liabilities. Since the closing balance of this account is in a debit position, it is reported as an asset. Further details are provided in Table 7.15 (Section 7 of Volume I).

**Travel expenses of ministers and parliamentary secretaries**

This statement provides details of the travel expenses of ministers and parliamentary secretaries incurred in the current year while on official departmental business. For the purpose of this statement, travel expenses include transportation, accommodation, meals and other expenses. The following items are excluded from this statement:

- travel expenses of ministers' staff, or of other persons travelling with ministers and parliamentary secretaries;
- hospitality costs extended on behalf of the Government where it is considered to be essential, as a matter of courtesy, or to facilitate the conduct of Government business;
- travel expenses of Members of the House of Commons serving on various parliamentary committees; and
- any moving, transportation and travel expenses paid for by the House of Commons on behalf of its Members.

<sup>(1)</sup> Includes the net payments of compensation respecting:

(a) Government employees (*Government Employees Compensation Act*);

(b) merchant seamen (*Merchant Seamen Compensation Act*); and

(c) employees of mines now operated by Cape Breton Development Corporation who contracted silicosis prior to acquisition of mines by the Corporation.

<sup>(2)</sup> Represents the federal Government's net share of administration expenses of provincial boards.

The claims of Federal employees eligible for compensation are dealt with and paid by the provincial workers' compensation boards from funds advanced by the federal Government.

Claims of employees resident in the Northwest Territories are processed by the Workers' Compensation Board of Alberta.
